Please be advised that when you talk to all these people, that they all know me as AL BEHEARY. My first name Ahmed is only known to few. It's really hard to do business with a Muslim name these days. I tend not to get call backs then Vs. going by "AL".

Please give my regards to Marcia as she demonstrated greatness in being a great help and resource to those who are in need. Very few people rise to that level of humanity when doing their jobs these days.

Thank you for your consideration and for your help. If you need any further paperwork, please don't hesitate to email or call me.

Have a lovely rest of the day.
