Hi Mr. Westenhofer,

I wanted to let you know that Metropolitan State is in the process of purchasing the subject property. While we have an agreed upon price, the actual purchase agreement document is in the final draft stage. Our intent is to take possession in November and then demolish the property. We do not plan or desire to occupy the building.

Please feel free to contact me or refer others to me if there are questions. My contact information is provided below.

Thank you,

Re: Purchase of 381/384 Bates Avenue by Metropolitan State University

Dear Mr. Westenhofer:

This letter is in confirmation of our phone call on Friday, August 24, and in response to your e-mail that same day.

As I stated in our conversation, Metropolitan State University is in the process of purchasing the subject property. While we have an agreed upon price with the owners, the actual purchase agreement document is in the final draft stage. Our intent is to take possession in November and then demolish the property, weather permitting. If weather does not permit the demolition, it would be removed as soon as possible in the spring.

We do not plan or desire to occupy the building.

Should you have any questions, please feel free to contact me.

Sincerely yours,

D.L. Hambrock
