This doesn't make any sense whatsoever. Why are you charging me for a home that is registered as vacant and has been for some time furthermore assessing your fraudulent bill to my taxes when the property is vacant. The responsibility should not be on me to notify you which I have done several times and I have also called the trash company. They have hung up in my face and claimed to be picking up trash when that couldn't be further from the truth.

Stop billing me for trash in a home that is vacant where no trash is being picked up. Secondly, if there is a form I should be filling out it shouldn't be a mystery. Chris Swanson never said I need to fill out a form. Where is the form? Why hasn't it been emailed to me? Is there a website where I can print this form out and mail it in. This is ridiculous! Please schedule my appeal date for everything I can appeal and I will deal with the rest in conciliation court.

To be clear. This is a formal request for the form and to have an appeal date scheduled.

My problem is this property is registered vacant and it has been. Why am I being charged for trash when nobody lives there and it hasn't been picked up ever!

It's completely ridiculous I have to take time off work to deal with this. I'm appealing all of it please give me a date when I can appear, I appreciate your help.

Do I need to come in on Dec 17th?
