I did not see any trash bags on the property. Plenty of debris, but all bagged items were gone.

Good morning!

I see there are new pictures on this, much appreciated! Can we confirm with you that anything in the trash bags has been removed? I didn't see any in the pictures, but wanted to confirm before I sent his letter so we could make any corrections in it.

Thanks so much!
Joanna

Thank you. Are you taking over the file? Looks like owner described at the hearing on September 1st that he had bagged about 30 black bags to remove. We have asked Nhia Thao to go take pictures but looks there is a no trespassing sign so he didn’t take any photos of that. We were to send him photos with marked items for his first deadline.

Good afternoon Mai,

I was able to get the file re-opened and had the errant process deleted.

Everything should be back to the way it was at the time of the appeal.

The file was moved to my task list pending further action.

Please let me know if you need anything else.

Thanks,
Dick

Is the owner aware that you closed the file? If not, then maybe reopen and put a note? Or ask Lisa, but she is out.

Hi Nhia,

Can you tell me why you closed the file saying it's in compliance on 8/21 while this is still ongoing and pending the appeal?

Hi Nhia,

At the hearing on Tuesday 9/1, Marcia wanted pictures of what the property at the property looked like now, the PO says he has about 30 bags ready to be removed, and the compliance date for the bags is 9/18 and she wanted the pictures sent with the letter from our office.

Could you let me know when those are done?

Thank you!
Joanna
