

CITY OF SAINT PAUL INITIATIVE PETITION FOR RENT STABILIZATION ORDINANCE

Short Description: Should the City of Saint Paul establish an ordinance limiting rent increases on residential rental properties to 3% of existing monthly rent within a 12-month period? The ordinance requires the city to establish a process by which landlords can request exceptions based on the right to a reasonable return on investment. A "yes" vote is a vote in support of limiting rent increases. A "no" vote is a vote in opposition to limiting rent increases.

We, the undersigned registered voters in the City of Saint Paul, hereby petition the Saint Paul City Council to enact an ordinance in the Municipal Code as attached hereto this petition.
