Subject: 605 Stryker Hearing Notice

Hi Steve,

I received a copy of the attached notice and am confused as to why the HRA is being assessed for graffiti removal – PED has continued to order removal directly via our Parks maintenance partners on multiple occasions when necessary at this property and has paid for the removal via Parks on multiple occasions.

Are you able to remove this item from the hearing or is there an alternate person we need to contact/can you assist in facilitating this removal? This appears to be an error.

Best,
Claire
