Appeals of Queschen Moet to an Egress Window Non-Compliance Determination and Re-Inspection Fire Certificate of Occupancy With Deficiencies at 969 MARSHALL AVENUE.

There was a new window installed in the property before I closed because birds were able to get in. Please grandfather in. Thank you.

December 3, 2010 and January 4, 2011 respectively

No hearing Necessary. Recommend variance on egress window dimensions, based on DSI review and recommendation.
