Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Property owner stated that they paid their Q2 2022 invoice in May 2022. They spoke with WM today and they said that there were no payment received.

Staff Comments: Hauler records show that the initial payment was received on 5/19/2022 at the correct address. However, this was returned to the property owner due to a lack of information necessary to apply the payment to the account. The hauler was unable to provide specific information regarding what information was missing from the payment. The billing manager stated that it was most likely that the account ID number was not included. Therefore staff recommends approving the assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It
