WHEREAS, FEC has again requested that the City defer payments and extend maturity date on the Loan; and

WHEREAS the Department of Planning and Economic Development Credit Committee has reviewed the request, determined that the loan is secured with mortgages on the property and recommends a) amending

the Loan terms to defer Loan repayment from January 1, 2013 through December 31, 2014 and (b) extending the maturity date of August 1, 2014 to December 31, 2014.
