the general credit or taxing powers of the City or the Issuer, but are payable from sums to be paid by the Borrower pursuant to a revenue agreement; and

Whereas, the Borrower has agreed to pay any and all costs incurred by the City in connection with the issuance of the Bonds, whether or not such issuance is carried out to completion; and

Whereas, the Borrower has represented to the City that no public official of the City has either a direct or indirect financial interest in the Project nor will any public official either directly or indirectly benefit financially from the Project; and

Whereas, as required by the Act and Section 147(f) of the Code, a Notice of Public Hearing was published in the City's official newspaper and a newspaper of general circulation for a public hearing on the proposed issuance of the Bonds and the proposal to undertake and finance the Project; and
