Amending the Zoning Map of Saint Paul as recommended in the North End-South Como District 6 Plan and 40-Acre Zoning Study.

### STATEMENT OF FINDINGS BY THE CITY COUNCIL

WHEREAS, on March 18, 2011, the Planning Commission, upon a request by the District 6 Planning Council, initiated a district plan for the entirety of District 6 that focused on the industrial area southeast of the Como/Front/Dale intersection and consolidated policies from previously adopted small area and district plans within District 6, and established a task force to develop recommendations for the plan; and

WHEREAS, on June 10, 2011, the Planning Commission initiated a 40-acre zoning study to include the area roughly bounded by Saint Albans on the west, Front and Hatch on the north, Western and Farrington on the east, and the railroad tracks and Larch on the south, and charged the task force to develop recommendations for the zoning study; and

WHEREAS, on July 22, 2011, the 40-acre zoning study was expanded to include the area roughly bounded by Front on the south, Mackubin on the east, Lawson on the north, and Dale on the west; and

WHEREAS, the study area is in excess of forty acres; and

WHEREAS, given the number of real estate descriptions that could be affected by amendment or alteration of the zoning ordinance, the Planning Commission determined that obtaining written consent from property owners would be impractical; and

WHEREAS, on February 24, 2012, following a duly noticed public hearing, the Planning Commission recommended adoption of the *North End-South Como District 6 Plan* as an addendum to the Saint Paul Comprehensive Plan, and the rezoning of a number of parcels in the study area in accordance with and related to the objectives, strategies, and recommendations in the *North End-South Como District 6 Plan* and 40-acre Zoning Study, and to the overall needs of the community as documented in the plan; and

WHEREAS, following a duly noticed public hearing before the City Council where all interested parties were afforded the opportunity to be heard, the Council considered all the facts, recommendations, and testimony regarding the proposed zoning amendments, pursuant to the authority granted by and in accordance with the procedures set forth in Minnesota Statutes § 462.357:

THE COUNCIL OF THE CITY OF SAINT PAUL DOES ORDAIN
