Work on the Ballpark shall proceed with due diligence to completion.

1.03. Sale of Series 2013E Bonds. This City Council hereby determines that it would be in the best interests of the City to issue and sell the Series 2013E Bonds to the Purchasers subject to the approval of the Pricing Committee and compliance with the parameters set forth below. (c) Selection of Series 2013E Bonds to be Redeemed: Redemption Procedure. In the event any of the Series 2013E Bonds are called for redemption, notice thereof identifying the Series 2013E Bonds to be redeemed shall be given by the Registrar by mailing a copy of the redemption notice by first class mail (postage prepaid) to the registered owner of each Series 2013E Bonds to be redeemed at the address shown on the registration books kept by the Registrar and, if required by law, publishing the notice thereof. Series 2013E Bonds so called for redemption shall cease to bear interest after the specified redemption date, provided that the funds for the redemption are on deposit with the Registrar at that time.

(d) Notice of Redemption. The Registrar shall call Series 2013E Bonds for optional redemption and prepayment as herein provided upon receipt by the Registrar at least forty-five (45) days prior to the redemption date of a request of the City, in written form if the Registrar is other than a City officer. Such request shall specify the principal amount of Series 2013E Bonds to be called for redemption and the redemption date.

Mailed notice of optional redemption shall be given to the Paying Agent (if other than a City officer) and to each affected Holder. If and when the City shall call any of the Series 2013E Bonds for redemption and prepayment prior to the stated maturity thereof, the Registrar shall give written notice in the name of the City of its intention to redeem and pay such Series 2013E Bonds at the office of the Registrar. Notice of redemption shall be given by first class mail, postage prepaid, mailed not more than sixty (60) days and not less than thirty (30) days prior to the redemption date, to each Holder of Series 2013E Bonds to be redeemed, at the address appearing in the Bond Register. All notices of optional redemption shall state: (i) the redemption date; (ii) the redemption price; (iii) if less than all outstanding Series 2013E Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2013E Bonds to be redeemed; (iv) that on the optional redemption date, the redemption price will become due and payable upon each such Series 2013E Bond, and that interest thereon shall cease to accrue from and after said date; (v) the place where such Series 2013E Bonds are to be surrendered for payment of the redemption price (which shall be the office of the Registrar); and (vi), if acceptable to the Purchasers, include a statement that the redemption so noticed is conditioned on sufficient funds being held by the City on or before noon on the applicable redemption date to pay the full redemption price, and if at such time the amount so held is not sufficient to pay all amounts required to effect the noticed redemption in full, the redemption shall be cancelled, with all Series 2013E Bonds tendered for such redemption being returned to the holders thereof and no liability on the part of the City shall arise as a result of such cancellation.

Section 2. Form and Payment.

2.01. Form. The Series 2013E Bonds will be issued only in denominations of \$5,000 or integral multiples thereof. The interest thereon and, upon surrender of each Series 2013E Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein; provided that principal payable upon partial redemption of a Series 2013E Bond shall be made by check or draft issued by the Registrar without surrender.

2.02. Dates; Interest Payment Dates. Each Series 2013E Bond shall be dated as of the last interest payment date preceding the date of authentication to which interest on the Series 2013E Bonds has been paid or made available for payment, unless: (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Series 2013E Bonds will be dated as of the date of authentication; or (ii) the date of authentication is prior to the first interest payment date, in which case the Series 2013E Bonds will be dated as of the date of original issue. The Series 2013E Bonds shall mature on such dates and in such principal amounts as indicated on the Certificate of Pricing Committee. The Series 2013E Bonds shall bear interest at the rates per annum as indicated on the Certificate of Pricing Committee, computed on the basis of a 360-day year of twelve thirty-day months. The interest on the Series 2013E Bonds is payable to the registered owners of record thereof as of the close of business on the fifteenth (15th) day of the immediately preceding month, whether or not such day is a business day.

2.03. Registrar. The City Treasurer is hereby appointed as the initial bond registrar and paying agent (the "Registrar" and the "Paying Agent") for the Series 2013E Bonds. The City Treasurer shall serve as Registrar unless and until a successor Registrar is duly appointed. A successor Registrar shall be an officer of the City or a bank or trust company eligible for designation as Registrar pursuant to the Municipal Debt Act and may be appointed pursuant to any contract the City and such successor Registrar shall execute which is consistent herewith. The Registrar shall also serve as Paying Agent unless and until a successor Paying Agent is duly appointed. Principal and interest on the Series 2013E Bonds shall be paid to the registered holder or holders of the Series 2013E Bonds (the "Holder" or "Holders") in the manner set forth in the form of the Series 2013E Bonds. The effect of registration and the rights and duties of the City and the Registrar with respect thereto are as follows:

(a) *Register.* The Registrar shall keep a bond register in which the Registrar provides for the registration of ownership of the Series 2013E Bonds and the registration of transfers and exchanges of the Series 2013E Bonds entitled to be registered, transferred, or exchanged.

(b) *Transfer of Series 2013E Bonds.* Upon surrender for transfer of a Series 2013E Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Series 2013E Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth (15<sup>TH</sup>) day of the month preceding each interest payment date and until that interest payment date.

(c) *Exchange of Series 2013E Bonds.* When Series 2013E Bonds are surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Series 2013E Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner's attorney in writing.

(d) *Cancellation.* Series 2013E Bonds surrendered upon transfer or exchange shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(e) *Improper or Unauthorized Transfer.* When a Series 2013E Bond is presented to the

Registrar for transfer, the Registrar may refuse to transfer the Series 2013E Bond until the Registrar is satisfied that the endorsement on the Series 2013E Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) *Persons Deemed Owners.* The City and the Registrar may treat the person in whose name a Series 2013E Bond is registered in the bond register as the absolute owner of the Series 2013E Bond, whether the Series 2013E Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Series 2013E Bond and for all other purposes, and payments so made to a registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon the Series 2013E Bond to the extent of the sum or sums so paid.

(g) *Taxes, Fees, and Charges.* The Registrar may impose a charge upon the owner thereof for a transfer or exchange of Series 2013E Bond sufficient to reimburse the Registrar for any tax, fee, or other governmental charge required to be paid with respect to the transfer or exchange.

(h) *Mutilated, Lost, Stolen or Destroyed Series 2013E Bond.* If a Series 2013E Bond becomes mutilated or is destroyed, stolen, or lost, the Registrar shall deliver a new Series 2013E Bond of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Series 2013E Bond or in lieu of and in substitution for any Series 2013E Bond destroyed, stolen, or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Series 2013E Bond destroyed, stolen, or lost, upon filing with the Registrar of evidence satisfactory to it that the Series 2013E Bond was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance, and amount satisfactory to it and as provided by law, in which both the City and the Registrar must be named as obligees. Series 2013E Bonds so surrendered to the Registrar shall be cancelled by the Registrar and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen, or lost Series 2013E Bond has already matured or been called for redemption in accordance with its terms, it is not necessary to issue a new Series 2013E Bond prior to payment.

2.04. Execution, Authentication and Delivery. The Series 2013E Bonds shall be prepared under the direction of its Mayor, City Clerk and Director, Office of Financial Services, or their respective designees, provided that all signatures may be printed, engraved, or lithographed facsimiles of the originals. If an officer whose signature or a facsimile of whose signature appears on the Series 2013E Bonds ceases to be such officer before the delivery of any Series 2013E Bond, that signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery. Notwithstanding such execution, a Series 2013E Bond shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Series 2013E Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Series 2013E Bonds need not be signed by the same representative. The executed certificate of authentication on a Series 2013E Bond is conclusive evidence that it has been authenticated and delivered under this Resolution. When the Series 2013E Bonds have been so prepared, executed, and authenticated, the City shall deliver the same to the Purchasers upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchasers are not obligated to see to the application of the purchase price.

2.05. Temporary Series 2013E Bonds. The City may elect to deliver, in lieu of printed definitive Series 2013E Bonds, one or more typewritten temporary Series 2013E Bonds in substantially the form set forth in EXHIBIT A with such changes as may be necessary to reflect final terms of the Series 2013E Bonds as determined by the Director, Office of Financial Services. Upon the execution and delivery of definitive Series

2013E Bonds, the temporary Series 2013E Bonds shall be exchanged therefor and cancelled.

### Section 3. Form of the Series 2013E Bonds.

3.01. Printing of Series 2013E Bonds. All of the provisions of the Series 2013E Bonds, when executed as authorized herein, shall be deemed to be a part of this Resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Series 2013E Bonds shall be substantially in the form attached to this Resolution as EXHIBIT A, which form is hereby approved, with such necessary and appropriate variations, omissions and insertions (including changes to the aggregate principal amount of the Series 2013E Bonds, the stated maturity or maturities of the Series 2013E Bonds, the interest rates on the Series 2013E Bonds, the terms of redemption of the Series 2013E Bonds, and variation from City policies regarding methods of offering general obligation bonds) as the Director, Office of Financial Services, or his deputies shall determine. The execution of the Series 2013E Bonds with the manual or facsimile signatures of the Mayor, City Clerk and Director, Office of Financial Services, or their respective designees, and the delivery of the Series 2013E Bonds by the City shall be conclusive evidence of such determination.

3.02. Approving Legal Opinion. The Director, Office of Financial Services is authorized and directed to obtain a copy of the proposed approving legal opinion of Kennedy & Graven, Chartered, Saint Paul, Minnesota, which shall be complete except as to dating thereof and cause the opinion to accompany each Series 2013E Bond.

#### 4.01. Series 2013E Funds.

(a) Series 2013E Debt Service Fund. The proceeds of the ad valorem taxes hereinafter levied as described in Section 4.03 of this Resolution authorizing the sale of the Series 2013E Bonds, are hereby pledged to the Series 2013E Debt Service Fund. If a payment of principal or interest on the Series 2013E Bonds becomes due when there is not sufficient money in the Series 2013E Debt Service Fund (including the Series 2013E Capitalized Interest Account) to pay the same, the City Treasurer will pay such principal or interest from the general fund of the City, and the general fund of the City will be reimbursed for those advances out of the proceeds of the taxes levied by this Resolution, when collected. There is appropriated to the Series 2013E Debt Service Fund: (i) the accrued interest, if any, paid by the Purchasers upon closing and delivery of the Series 2013E Bonds, (ii) any original issue premium of the Series 2013E Bonds determined by the City Treasurer to be deposited therein, and (iii) any amounts necessary to pay the interest due on the Series 2013E Bonds and the interest and principal due on the Series 2013E Bonds as determined by the Pricing Committee. There is appropriated to the Series 2013E Capitalized Interest Account: capitalized interest to be financed from Series 2013E Bond proceeds, in the amount determined by the City Treasurer. The City Treasurer is hereby authorized to transfer capitalized interest held in the Series 2013E Capitalized Interest Account to the Series 2013E Debt Service Fund as needed to pay interest on the Series 2013E Bonds.

(b) Series 2013E Project Fund. There is hereby created a special account to be designated as the "2013E Project Fund" (the "Series 2013E Project Fund"), to be held and administered by the City separate and apart from all other funds of the City. Amounts on deposit in the Series 2013E Project Fund will be used solely to defray expenses of the construction, installation, and equipping of the Ballpark. At the direction of the Director, Office of Financial Services, the proceeds of the Series 2013E Bonds deposited in the Series 2013E Project Fund may be transferred to the Disbursing Agent (as defined below) to be held and disbursed pursuant to the terms of the Master Disbursing Agreement (as defined below) along with the other sources of funding for the Ballpark. When the Ballpark is completed and the costs thereof paid, the remaining proceeds of the Series

2013E Bonds, if any, held by the Disbursing Agent that are allocable to the Series 2013E Bonds shall be transferred by the Disbursing Agent to the City. The City, at the direction of the Director, Office of Financial Services, shall transfer such amounts returned from the Disbursing Agent to the Series 2013E Debt Service Fund or utilize such amounts to fund other approved capital improvements approved by the City's Capital Improvement Budget Committee.

(c) Master Disbursing Agreement. The Mayor and Director, Office of Financial Services are hereby authorized to execute and deliver a Master Disbursing Agreement, dated on or after October 1, 2013 (the "Master Disbursing Agreement"), between the St. Paul Saints Baseball Club, Inc., a Minnesota corporation (the "Saints"), the City, the Port Authority of the City of Saint Paul (the "Port Authority"), the Minnesota Department of Management and Budget, a department of the State of Minnesota, U.S. Bank National Association, and a disbursing agent to be designated by the City and the Port Authority (the "Disbursing Agent"). Under the terms of the Master Disbursing Agreement, the parties establish the terms, conditions, and priorities for the disbursement of the money to be applied to the acquisition, construction, and equipping of the Ballpark. All of the provisions of the Master Disbursing Agreement, when executed as authorized herein, shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Master Disbursing Agreement shall be substantially in the form on file with the City, which is hereby approved, with such necessary and appropriate variations, omissions, and insertions as do not materially change the substance thereof, or as the Mayor and Director, Office of Financial Services, in their discretion, shall determine, and the execution and delivery thereof by the Mayor and Director, Office of Financial Services shall be conclusive evidence of such determination.

(d) Use of Proceeds. On the date of issuance of the Series 2013E Bonds, the City shall:

(i) deposit to the Series 2013E Debt Service Fund: (i) any original issue premium of the Series 2013E Bonds determined by the City Treasurer to be deposited therein and (ii) the accrued interest, if any, paid by the Purchasers upon closing and delivery of the Series 2013E Bonds;

(ii) deposit to the Series 2013E Capitalized Interest Account: capitalized interest, if any, to be financed from Series 2013E Bond proceeds, in the amount determined by the City Treasurer; and

Specifically, the City Treasurer may create separate accounts and subaccounts to hold and apply the proceeds of the Series 2013E Bonds and revenues for the payment thereof.

4.02. Filing of Resolution. The Director, Office of Financial Services is authorized and directed to file a certified copy of this Resolution and the Certificate of Pricing Committee with the Auditor of Ramsey County (the "County") (or the official of the County performing the functions of the Auditor of the County) and to obtain the certificate required by Section 475.63 of the Municipal Debt Act, as amended.

4.03. Pledge of Tax Levy. For the purpose of paying the principal of and interest on the Series 2013E Bonds, there is levied a direct annual irrevocable ad valorem tax (the "Tax") upon all of the taxable property in the City, to be spread upon the tax rolls and collected with and as part of other general taxes of the City. The Tax will be credited to the Series 2013E Debt Service Fund above provided and shall be established by officials of the City after the award of the Series 2013E Bonds and determination of the final terms on the Series 2013E Bonds. The Tax shall be levied and collected in the years and in the amounts as set forth in the Certificate of Pricing Committee, and include the overlevy amount as required by Section 4.04 below and the Municipal Debt Act.

4.04. Overlevy Requirement. It is determined that the estimated collection of the foregoing Tax will produce at least five percent (5%) in excess of the amount needed to meet, when due, the principal and interest payments on the Series 2013E Bonds. The Tax so levied herein will be irrevocable until all of the Series 2013E Bonds are paid, provided that at the time the City makes its annual tax levies the City Clerk may certify to the Auditor of the County (or the official of the City performing the functions of the Auditor of the County) the amount available in the Series 2013E Debt Service Fund to pay principal and interest due during the ensuing year, and the Auditor of the County will thereupon reduce the levy collectible during such year by the amount so certified.

4.05. General Obligation Pledge. If amounts on deposit in the Series 2013E Debt Service Fund are not sufficient to pay principal and interest on the Series 2013E Bonds, as the same become due, the full faith and credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Series 2013E Debt Service Fund is ever insufficient to pay all principal and interest then due on the Series 2013E Bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, including the general fund of the City, and such other funds may be reimbursed with or without interest from the Series 2013E Debt Service Fund when a sufficient balance is available therein.

## Section 5. Authentication of Transcript.

5.01. Furnishing of Documents. The officers of the City are authorized and directed to prepare and furnish to the Purchasers and to Kennedy & Graven, Chartered, as bond counsel to the City, certified copies of proceedings and records of the City relating to the Series 2013E Bonds and to the financial condition and affairs of the City, and such other certificates, affidavits and transcripts as may be required to show the facts within their knowledge or as shown by the books and records in their custody and under their control, relating to the validity and marketability of the Series 2013E Bonds, and such instruments, including any heretofore furnished, will be deemed representations of the City as to the facts stated therein.

5.02. Negotiated Sale. The City has retained Springsted Incorporated as an independent financial advisor, and the City has heretofore determined, and hereby determines, to sell the Series 2013E Bonds by private negotiation, all as provided by Section 475.60, Subdivision 2(9) of the Municipal Debt Act.

Section 6. Defeasance. When all Series 2013E Bonds and all interest thereon have been discharged as provided in this section, all pledges, covenants and other rights granted by this Resolution to the holders of the Series 2013E Bonds will cease, except that the pledge of the full faith and credit of the City for the prompt and full payment of the principal of and interest on the Series 2013E Bonds will remain in full force and effect. The City may discharge all Series 2013E Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment, including interest to accrue thereon to the date of payment, in full of the Series 2013E Bonds. If any Series 2013E Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued to the date such payment is due.

Section 7. No Continuing Disclosure. Because the Series 2013E Bonds are being placed by the

Placement Agent with the Purchasers, the City is not required to comply with Rule 15c2-12, promulgated by the Securities Exchange Commission under the Securities Exchange Act of 1934, as amended, and the City will not enter into a continuing disclosure undertaking with respect to the Series 2013E Bonds. The City will provide, upon request, audited financial statements of the City to the Purchasers.

The Documents shall be substantially in the form on file with the City, which is hereby approved, with such necessary and appropriate variations, omissions, and insertions as do not materially change the substance thereof, or as the City Officials, in their discretion, shall determine, and the execution and delivery thereof by the City Officials shall be conclusive evidence of such determination
