WHEREAS, in 1971 the City of Saint Paul, Department of Public Works ("City"), in the area bounded by Hamline Avenue, Pascal Street, Wynne Avenue and Jessamine Avenue, installed sewer facilities and a pumping station to benefit the surrounding properties; and

WHEREAS, said sewer facilities and pumping station are now in need of improvement and expansion; and

WHEREAS, the City hired a private real estate consultant to assist with the acquisition of a permanent easement for public sewer purposes and a temporary construction easement within a parcel of land in the above-mentioned area located at 1395 Jessamine Avenue West and owned by Lakewood Group, LLC ("Property Owner"); and

WHEREAS, said consultant secured appraised values of the proposed easements, submitted offers and entered into negotiations with the Property Owner, and recommended final compensation amounts of Twenty-Four Thousand One Hundred Forty-Eight and 80/100 Dollars (\$24,148.80) for the permanent easement and Fifteen Thousand Eight Hundred Fifty-One and 20/100 Dollars (\$15,851.20) for the temporary construction easement; and
