Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): The hauler requested that the assessment be reduced. This is due to the fact that there were two accounts set up for the property. This lead to two invoices being generated for Quarter 3 2022. The first was for \$213.23 and the second was for \$121.78. Since the invoice of \$231.23 was for the initial account, the hauler is requested that we reduce the assessment to this amount.

Staff Comments: Staff recommends approving the assessment to \$231.23.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during July to September 2022. WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and reduced from \$353.31 to \$231.23.
