Amending Chapter 310 of the Legislative Code to eliminate petition requirements, reference and establish uniform license procedures for Class N, R, and T Licenses, shorten the notification process, eliminate the license renewal public hearing provision, and update gender specific language and other outdated terms.

THE COUNCIL OF THE CITY OF SAINT PAUL DOES ORDAIN:

SECTION 1

WHEREAS, current individual city licensing Ordinances contain notification, hearing, and petition requirements for specific business license types; and

WHEREAS, different license processes in different city licensing ordinances have created confusion among city staff and prospective license applicants as to the proper process to follow; and

WHEREAS, some of these requirements unnecessarily increase the time it takes individuals to open a business; and

WHEREAS, the city seeks to improve the process by which community members learn about and provide input to support Council decision making related to business licenses; and

WHEREAS, time costs entrepreneurs money and impacts their interest and ability to open a business in Saint Paul; and

WHEREAS, throughout the life cycle of a license, the city council has the same rights, requirements, and abilities to take adverse license action (e.g. imposing conditions on a license); and

WHEREAS, after community listening sessions a stakeholder workgroup discussed business and administrative needs and brainstormed/researched solutions; and

WHEREAS, the workgroup recommended uniform license procedures, the removal of petition requirements, a shortened notification process, elimination of the license renewal public hearing provision, and retaining the requirement that all Class N License Applications be put before City Council; and

WHEREAS, the City Attorney has determined that laws that include references to gender do not promote gender equality, and advises that gender-specific words should be replaced with gender-neutral words that have the same meaning when possible; and

WHEREAS, because the City Attorney has determined that the use of the word “shall” in legal instruments is ambiguous depending upon context, and advises that the best practice of substituting the word “shall” with a more precise term, such as *must*, *will*, *may*, *should*, or *is* should be followed when possible, now, therefore be it

RESOLVED, that the Council of the City of Saint Paul does ordain:

SECTION 3

Section 310.02 of the Saint Paul Legislative Code is hereby deleted

~~Sec. 310.02. Application.~~

~~(a) *Form.* All applicants for licenses or permits issued pursuant to these chapters shall make both original and renewal applications to the inspector on such forms as are provided by the division. Such applications shall not be received by the inspector until completely filled out, accompanied by all fees, insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph (b) below.~~

~~(b) *Taxes.* No person shall be granted a license or a renewal of a license required by the Saint Paul Legislative Code unless, prior to and in addition to any other requirements, rules or ordinances heretofore or hereafter required, the Ramsey County Department of Property Taxation certifies that said applicant has paid any and all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said license.~~

~~Notwithstanding the previous paragraph, the council, the director or the inspector may issue or renew a license if it is found that:~~

~~(1) The applicant has made an agreement satisfactory to the Ramsey County attorney to pay delinquent taxes in periodic installments;~~

~~(2) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of his property, and has made all partial payments required by law in connection with such proceeding; or~~

~~(3) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.~~

~~If a license is issued or renewed because of the existence of an agreement as described in subsection (1) above, the license may be revoked if the licensee defaults upon such agreement.~~

~~(c) *Additional information.* The inspector shall prescribe the information required to be submitted by~~

~~each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The inspector shall require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.~~

~~(d) *No reapplication within one (1) year after denial or revocation.* Unless an applicant is claiming that they have evidence of rehabilitation as outlined in Minnesota Statute 364.03, subd. 3, no person may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.~~

~~(e) *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied shall be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.~~

~~(f) *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided shall not apply in cases where it is otherwise expressly provided by statute or ordinance.~~

~~(g) *Waiting period after filing of petition.* Any petition required to be filed with the application for any license shall not be considered as officially filed and irrevocable until seven (7) working days after a petition is received in the inspector's office. During the seven-day waiting period, any signator of any petition may withdraw their name therefrom by written request, and such request shall be appended to the subject petition and made a part thereof. After the seven-day waiting period, signatures may not be withdrawn unless it is shown they were obtained by fraud or duress. Signatures withdrawn or obtained by fraud or duress shall not be counted in determining the sufficiency of the petition. This subdivision shall apply in any case where the applicant for a license must present a statement in writing signed by a specified number or percentage of persons that they have given their consent to the grant of the license.~~

Section 4

Section 310.03 is hereby deleted.

Sec. 310.03. Investigation and review of new applications, etc.

Sec. 310.03. – Investigation and review of new applications, etc.

The inspector shall determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The inspector shall make reasonable and appropriate investigation of the premises or personal property, vehicles or facilities, as may be involved in or related to the licensed activity, and shall request, where appropriate, the assistance of other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications shall be reviewed by the zoning administrator or his designee for compliance with all requirements of the Saint Paul Zoning Code, and no new license shall be granted without full compliance with said requirements. All new applications involving a premises, location, building or structure shall be referred to the department of safety and inspections for investigation and recommendation.

SECTION 5

Section 310.04 is hereby renumbered 310.02 and amended as follows to enumerate Uniform Procedures for Application for the Grant or Issuance of the License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections and Renewal Procedures by License Type:

Sec. 310.02. 310.04 Levels of approval; recommendations. Uniform Procedures for Application for the Grant or Issuance of the License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections and Renewal Procedures by License Type.

- (a) *Class R licenses.* Where an application for the grant, issuance or renewal of a Class R license meets all the requirements of law, and there exists no ground for denial, revocation or suspension of, or the imposition of conditions upon, such license, the director shall grant, issue or renew said license in accordance with the application.
- (b) *Class T licenses.* Where an application for the grant, issuance or renewal of a Class T license meets all the requirements of law, and there exists no ground for denial, revocation or suspension of, or the imposition of conditions upon, such license, the director shall grant, issue or renew said license in accordance with the application.
- (c) *Class R and Class T licenses, if denied by director.* In the event the director, in the case of both Class R and Class T licenses, determines that the application for grant, issuance or renewal of the license does not meet all the requirements of law or that there exist grounds for denial, revocation, suspension or other adverse action against the license or the licensee, the director shall recommend denial of the application and follow the procedures for notice and hearing as set forth in section 310.05.
- (d) *Class N licenses.*
 - (1) *Grant, issuance or transfer.* Upon receipt of a fully completed application and required fees for a Class N license, the director shall conduct such investigation as is required to determine whether the application meets all the requirements of law or whether there exist grounds for denial or imposition of conditions on the license. The director shall, in writing, notify the council, and the affected neighborhood organization(s) established for citizen participation purposes, of the existence of the application for all Class N licenses. In any case where the director recommends denial of the

~~grant, issuance or renewal of a Class N license, the director on his or her own initiative, or at the direction of the council, shall follow the procedures for notice and hearing as set forth in section 310.05. If the director is recommending issuance of the license, but the affected neighborhood organization(s) or other interested persons give notice within thirty (30) days of receipt of notice of the existence of the application (or within forty-five (45) days if the application involves a liquor license) of objection to issuance of the license, the matter shall be referred for a hearing before the legislative hearing officer, who shall give notice of the time, place and date of the hearing to the affected neighborhood organization(s) and the applicant. The legislative hearing officer shall take testimony from all interested persons and shall make a recommendation to the council as to whether the matter should be referred for a hearing before an independent hearing examiner in accordance with the procedures set forth in section 310.05. Where the application for the grant, issuance or renewal of a Class N license meets all the requirements of law, and where there exists no ground for adverse action, the director shall issue such license in accordance with law.~~

~~(2) *Renewal.* The director shall in writing notify the council, and the affected neighborhood organization(s) established for citizen participation purposes, at least sixty (60) days before the expiration date of all Class N licenses. A public hearing on the renewal of any such license shall not be held except on the request of a councilmember, which request shall be incorporated in the form of a council resolution. Upon the passage of such resolution, the director shall give written notice of such hearing to the affected neighborhood organizations. Such public hearing does not replace or amend any of the procedures set forth in section 310.05 of the Legislative Code. If no request for a public hearing is made before the expiration of any such license, and where there exists no ground for adverse action, the director shall issue the license in accordance with law.~~

~~(e) *Appeal; Class R or Class T licenses.* An appeal to the city council may be taken by any person aggrieved by the grant, issuance or renewal of a Class R or Class T license; provided, however, that the appeal shall have been filed with the city clerk within thirty (30) days after the action by the director. The only grounds for appeal shall be that there has been an error of law in the grant, issuance or renewal of the license. The appeal shall be in writing and shall set forth in particular the alleged errors of law. The council shall conduct a hearing on the appeal within thirty (30) days of the date of filing and shall notify the licensee and the appellant at least ten (10) days prior to the hearing date. The procedures set forth in section 310.05, insofar as is practicable, shall apply to this hearing. Following the hearing, the council may affirm or remand the matter to the inspector or director, or may reverse or place conditions upon the license based on the council's determination that the decision was based on an error of law. The filing of an appeal shall not stay the issuance of the license.~~

~~(f) *No waiver by renewal.* The renewal of any license, whether Class R, T or N, shall not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.~~

1) Class R Licenses.

(a) Application.

1. *Form.* All applicants for a Class R License issued pursuant to these chapters must make both original and renewal applications to the Director on such forms as are provided by the Department. Such applications will not be received by the Director until the Director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, 01s, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below, are received and approved.

2. Taxes. No applicant will be granted a License or a renewal of a License required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances heretofore or hereafter required, the Director determines that said Applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said License.
3. Notwithstanding the previous paragraph, the Council or the Director may issue or renew a License if it is found that:
 - (a) The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
 - (b) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
 - (c) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a License is issued or renewed because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. Additional information. The Director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The Director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
5. No reapplication within one (1) year after denial or revocation. Unless an applicant is claiming evidence of rehabilitation as outlined in Minnesota Statute 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.
6. Reapplication after denial; "interest" of applicant in revoked license. An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term

"interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.

7. *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.

- (b) New Application Investigation and Review. The Director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The Director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the Zoning Administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new License will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the Building Official or their designee for investigation and recommendation.

- (c) Application Denial

1. Denial of a Class R License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

- (d) Notice.

1. Upon verification that an application for a Class R License is substantially complete, the notification requirements outlined in ENS Chapter A-11(11)(c) must be followed and the required ENS notice must be provided within two (2) public business days.

- (e) Levels of Approval:

1. Approval recommended without conditions. Where an application for the grant, issuance or renewal of a Class R License meets all the requirements of law, and there exists no grounds for denial, revocation or suspension of, or the imposition of conditions upon, such license, the Director must grant, issue, or renew said license in accordance with the application.

2. Approval recommended with conditions. If upon review of an application for the grant, issuance, or renewal of a Class R License the Director determines that there exist grounds for imposition of conditions, the Director must provide the applicant or licensee notice and an opportunity to be heard in accordance with Section 310.03.
3. If the prospective licensee does not object to the proposed conditions, the Director will request that the matter be placed on the council consent agenda. The Director shall notify the prospective licensee.
4. If the prospective licensee objects to the conditions proposed by the Director, the Director must follow the hearing procedures outlined in Saint Paul Legislative Code Section 310.03 and refer the matter to a hearing examiner.
5. Revocation or suspension. If the Director determines that the renewal application for the renewal of a license does not meet all of the requirements of law or that there exist grounds for revocation or suspension of a Class R License the Director will follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03.

(f) Objections. An appeal to the city council may be taken by any person aggrieved by the grant, issuance, or renewal of a Class R License provided that:

1. The appeal must be filed with the city clerk within thirty (30) days after the action by the Director.
2. The only grounds for appeal will be that there has been an error of law in the grant, issuance, or renewal of the license.
3. The appeal will be in writing and will set forth in particular the alleged errors of law.
4. The council will conduct a public hearing on the appeal within thirty (30) days of the date of filing and will notify the licensee and the appellant at least ten (10) days prior to the hearing date.
5. The procedures set forth in section 310.03, insofar as is practicable, will apply to this hearing. Following the hearing, the council may affirm or remand the matter to the Director, may reverse the Director's decision, or place conditions upon the license based on the council's determination that the Director's decision was based on an error of law.
6. The filing of an appeal will not stay the issuance of the license.

(g) Renewal Procedures.

1. Class R Licenses may be automatically renewed by the Director.
2. No waiver by renewal. The renewal of a Class R License will not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.

2) Class N Licenses

(a) Application.

1. Form. All applicants for a Class N License issued pursuant to these chapters will make both original and renewal applications to the Director on such forms as are provided by the Department. Such applications will not be received by the Director until the Director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below are received and approved.
2. Taxes. No applicant will be granted a License or a renewal of a License required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances heretofore or hereafter required, the Director determines that said Applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said License.
3. Notwithstanding the previous paragraph, the Council or the Director may issue or renew a License if it is found that:
 - (a) The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
 - (b) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
 - (c) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a License is issued or renewed because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. Additional information. The Director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The Director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
5. No reapplication within one (1) year after denial or revocation. Unless an applicant is claiming that they have evidence of rehabilitation as outlined in Minnesota Statute 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original

license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.

6. Reapplication after denial; "interest" of applicant in revoked license. An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.

7. Prohibition on reapplication; exception. The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.

- (b) New Application Investigation and Review. The Director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The Director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, as may be involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the Zoning Administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new License will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the Building Official or their designee and Inspections for investigation and recommendation.

1. Verification of Class N License District Council Notification Form. The Director must ensure that the District Council has notified the Department by email that the Class N License District Council Notification Form has been received.

(c) Application Denial

1. Denial of a Class N License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) Notice.

1. Upon receipt of an application for a Class N License, the notification requirements outlined in ENS Chapter A-11(11)(c) must be followed.

The application must then be reviewed and once the Director deems the application fully reviewed as required by these chapters and makes a recommendation, both the notice requirements outlined in ENS Chapter A-11 (14) and the required mailing must be provided. Notices must describe the license application received, staff recommendations (e.g., any conditions) and the process for public comment and objections.

- (a) Required mailing. The Director must notify by mail all owners and occupants who own property or reside within three hundred fifty (350) feet of the establishment to which the license is to be issued, of any such application, said three hundred fifty (350) feet being calculated and computed as the distance measured in a straight line from the property line of the building where the prospective license will be located to the property line owned, leased or under the control of the resident and owners of the existence of an application and set the deadline for public comment at least 15 days after the date of mailing. The Director must submit to the council a list of the names and addresses of each person or organization to whom notice was sent, and certification of such list by the Director will be conclusive evidence of such notice and such notice will be attached to the resolution before council.
 - (b) The failure to give mailed notice to owners or occupants residing within three hundred fifty (350) feet, or to community organizations, or defects in the notice, does not invalidate the Council approval provided a bona fide attempt to comply with this section has been made. A bona fide attempt is evidenced by a notice addressed to "owner" and to "occupant" of the listed address. Only one (1) notice need be mailed to each house or each rental unit within a multiple-family dwelling regardless of the number of occupants.
 - (c) *Notice requirement not applicable in downtown business district.* The notification requirements of this section shall are not be applicable where the license is to be transferred to a place located within the downtown business district. For purposes of this section, downtown business district shall includes all that portion of the City of Saint Paul lying within and bounded by the following streets: Beginning at the intersection of Shepard Road with Chestnut Street, Chestnut Street to Interstate Freeway 35E, Interstate Freeway 35E to Tenth Street, Tenth Street to Interstate Freeway 94, Interstate Freeway 94 to Lafayette Bridge, Lafayette Bridge to where the bridge crosses over Warner Road, Warner Road to the Wabasha Bridge, the Wabasha Bridge across the Mississippi River to the water line on the south bank of the river, thence in a westerly direction along the shore line to the point at which it intersects with "Line A," and then in a straight line across the Mississippi River to the intersection of Chestnut Street with Shepard Road. The location and legal description of "Line A" is indicated on the map attached hereto and incorporated and adopted herein by reference.

(e) Levels of Approval.

1. Approval with or without conditions. All Class N Licenses require council approval. If there are no conditions or the prospective licensee does not object to the proposed conditions, the Director will request that the matter be placed on the council consent agenda. The Director will notify the prospective licensee.
2. If the prospective licensee objects to the conditions proposed by the Director and/or the conditions added by the Legislative Hearing Officer after a hearing, the Director must follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03 and refer the matter to a Hearing Examiner.
3. Revocation or suspension. If the Director determines that the application for renewal does not meet all of the requirements of law or that there exist grounds for revocation or suspension of a Class N License, the Director must follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03.

(f) Objections. If the Director is recommending issuance of the Class N License, but the affected neighborhood organization(s) or other interested persons give notice within the fifteen (15) day period for public comment of objection to issuance of the license, the Director must refer the matter for a hearing before the Legislative Hearing Officer.

- a. The Legislative Hearing Officer will set a hearing date and give notice of the time, place, and date of the hearing to the affected neighborhood organizations(s) and the applicant.
- b. At the hearing, the Legislative Hearing Officer will take testimony from all interested persons.
- c. If the applicant cannot agree with license conditions suggested by the Legislative Hearing Officer, the Legislative Hearing Officer will make a recommendation to the Council as to whether the matter should be referred for a hearing before an independent hearing examiner in accordance with the procedures set forth in section 310.03.
- d. After the legislative hearing, the Legislative Hearing Officer must prepare a report and recommendations for Council and set the matter on the council consent agenda.

If no objections are received, the Legislative Hearing Officer will notify the Director and have the matter placed on the council consent agenda. The Director will notify the applicant and the affected neighborhood organizations established for citizen participation purposes of the placement of the application on the Council agenda.

(g) Renewal Procedures.

1. Renewal Procedures. Class N Licenses may be automatically renewed by the Director.

2. No waiver by renewal. The renewal of a Class N License will not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.

3) Class T Licenses (Temporary).

(a) Application.

1. Form. All applicants for a Class T License issued pursuant to these chapters will make original applications to the Director on such forms as are provided by the Department. Such applications will not be received by the Director until the Director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below are received and approved.

2. Taxes. No applicant will be granted a License or a renewal of a License required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances hereafter required, the Director determines that said Applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said License.

3. Notwithstanding the previous paragraph, the Council or the Director may issue a License if it is found that:

- a. The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
- b. The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
- c. The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a License is issued because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

- 4. Additional information. The Director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The Director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers,

directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.

5.No reapplication within one (1) year after denial or revocation. Unless an applicant is claiming that they have evidence of rehabilitation as outlined in Minnesota Statute 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.

6. Reapplication after denial; "interest" of applicant in revoked license. An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.

7. Prohibition on reapplication; exception. The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.

(b) New Application Investigation and Review. The Director will determine the sufficiency and accuracy of each new application and obtain any pertinent criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The Director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, as may be involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the Zoning Administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new License will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the Building Official or their designee for investigation and recommendation.

(c) Application Denial

a. Denial of a Class T License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) Notice. There is no notice requirement for Class T licenses.

(1) Temporary Liquor License applications do not require notification action by the Director upon receipt of an application under Chapter A-11. Notification requirements, if any, are handled by the applicant as part of the application process as outlined in the relevant section of the Saint Paul Legislative Code.

(e) Levels of Approval

(1) Approval Recommended without conditions. Where an application for the grant or issuance of a Class T License meets all the requirements of law, and there exists no grounds for denial, revocation suspension of, or the imposition of conditions upon such license, the Director must grant or issue said license in accordance with the application.

(2) Approval Recommended with conditions. If upon review of an application for the grant, or issuance of a Class T License the Director determines that there exist grounds for imposition of conditions the Director must provide the applicant or licensee notice and an opportunity to be heard in accordance with the hearing procedures outlined in Saint Paul Legislative Code Section 310.03.

(f) Objections. An appeal to the city council may be taken by any person aggrieved by the grant, issuance or renewal of a Class T License provided that:

1. The appeal must be filed with the city clerk within thirty (30) days after the action by the Director.

2. The only grounds for appeal will be that there has been an error of law in the grant, issuance, or renewal of the license.

3. The appeal will be in writing and will set forth in particular the alleged errors of law.

4. The council will conduct a hearing on the appeal within thirty (30) days of the date of filing and will notify the licensee and the appellant at least ten (10) days prior to the hearing date.

5. The procedures set forth in section 310.05, insofar as is practicable, will apply to this hearing. Following the hearing, the council may affirm or remand the matter to the Director, may reverse the Director's decision or place conditions upon the license based on the council's determination that the Director's decision was based on an error of law.

6. The filing of an appeal will not stay the issuance of the license.

(e) Renewal Procedures. Class T Licenses are not automatically renewed. If a Licensee wishes to Renew a Class T License, they must file a new application for a new Class T License.

(i) *Continuances.* Where a hearing for the purpose of considering revocation or suspension of a license or other disciplinary action involving a license has been scheduled before the council, a continuation of the hearing may be granted by the council president or by the council at the request of the licensee, license applicant, an interested person or an attorney representing the foregoing, upon a showing of good cause by the party making the request.

(l)*Imposition of fines.* The council may impose a fine upon any licensee or license applicant as an adverse license action. A fine may be in such amount as the council deems reasonable and appropriate, having in mind the regulatory and enforcement purposes embodied in the particular licensing ordinance. A fine may be in addition to or in lieu of other adverse action in the sole discretion of the council. To the extent any other provision of the Legislative Code provides for the imposition of a fine, both provisions shall must be read together to the extent possible; provided, however, that in the case of any conflict or inconsistency, the other provision shall must be controlling.

All penalty recommendations for chapter 331A violations shall be based on the food penalty guideline referred to in chapter 331A. These penalties are presumed to be appropriate for every case; however the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council shall must provide written reasons that specify why the penalty selected was more appropriate.~~

1.General presumptive penalties matrix - The general penalty matrix is to be used if there is not a specific penalty matrix for the license type or a category within the specific penalty matrix does not address the violation.

2. Intoxicating liquor; malt liquor; presumptive penalty matrix.

Presumptive penalties for intoxicating liquor and nonintoxicating malt liquor violations. If a violation is not covered under this penalty matrix, the General presumptive penalty matrix should be used. Penalties for convictions or violations are presumed to be appropriate for every case; however, the council may deviate

therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council must provide written reasons that specify why the penalty selected was more appropriate (unless specified, numbers below indicate consecutive days' suspension):

SEE ATTACHMENT #7

 - (e) *Effect of responsible business practices in determining penalty.* In determining the appropriate penalty, the council may, in its discretion, consider evidence submitted to it in the case of uncontested adverse actions or submitted to a hearing examiner in a contested hearing upon which findings of fact have been made that a licensee has followed or is likely to follow in the future responsible business practices in regard to sales to intoxicated persons and sales to minors.
- (1) For the purposes of service to intoxicated persons, evidence of responsible business practices may include, but is not limited to, those policies, procedures and actions that are implemented at time of service and that:

Tobacco Presumptive penalties. Penalties for convictions or violations are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons making it more appropriate to do so. When deviating from these standards, the council must provide written reasons that specify why the penalty selected was more appropriate (unless specified, numbers below indicate consecutive days' suspension):

SEE ATTACHMENT #8

(a) Purpose. The purpose of this section is to establish a standard by which the city council determines the amount of fines, length of license suspensions and the propriety of revocations for licensees. These penalties are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons which make it appropriate to do so, except, the council may not deviate below statewide minimum penalties for licensees. When deviating from these standards, the council shall provide written reasons that specify why the penalty selected was more appropriate. Where no penalty is listed below, the presumptive penalty under the General Presumptive Penalty Matrix will apply.

(b) Presumptive penalties for licensees for violations. Adverse penalties for licensees for violations or convictions shall be presumed as follows:

(c) Computation of time for violations under the Tobacco Presumptive Penalties Matrix. If a violation is not covered under this penalty matrix, the General presumptive penalty matrix should be used. Except as otherwise provided by Minn. Stats. § 461.12, subd. 2, subsequent tobacco violations are subject to the following:

(1) Second, third and fourth appearances for violations under the Tobacco Presumptive Penalties Matrix. . A second violation within twenty four (24) months must be treated as a second appearance, a third within twenty four (24) months treated as a third appearance, and a fourth within twenty four (24) months treated as a fourth appearance for the purpose of determining the presumptive penalty.

(2) Any appearance not covered by subsections (1) above must be treated as a first appearance for violations under the Tobacco Presumptive Penalties Matrix. . Measurement of the twenty four (24) month period must be as follows: The beginning date shall be the earliest violation's date of appearance before the council, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.

(i) Fines payable without hearing.

A. Notwithstanding the provisions of section 310.05(e) 310.03(c), a licensee who would be making a first or second appearance on a violation that calls for a monetary fine before the council may elect to pay the fine to the department of safety and inspections without a council hearing, unless the notice of violation has indicated that a hearing is required because of circumstances which may warrant deviation from the presumptive fine amount. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled, and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations.

~~B. For adverse action initiated under chapter 331A of this Code, a fine may be paid without a hearing regardless of how many prior appearances that licensee has made before the council. The above council hearing requirement applies to violations under chapter 331A unless the fine recommended by the department of safety and inspections is equal to or less than the fine amount outlined in the above matrix. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled, and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations. A non-critical violation under chapter 331A shall not be considered an "appearance" for purposes of determining presumptive penalties for non-331A violations. A council hearing is required if the department of safety and inspections recommends a fine that is an upward departure for the amount outlined above.~~

(ii) *Multiple violations.* At a licensee's first appearance before the city council, the council shall consider and act upon all the violations that have been alleged and/or incorporated in the notices sent to the licensee under the administrative procedures act up to and including the formal notice of hearing. The council in that case shall consider the presumptive penalty for each such violation under the "1st Appearance" column in ~~paragraph (b) the Penalty Matrixes~~ above. The occurrence of multiple violations shall be is grounds for departure from such penalties in the council's discretion.

(iii) *Violations occurring after the date of the notice of hearing.* Violations occurring after the date of the notice of hearing that are brought to the attention of the city attorney prior to the hearing date before an

administrative law judge (or before the council in an uncontested facts hearing) may be added to the notice(s) up to 20 days before the hearing, and shall may in that case be treated as though part of the "1st Appearance" unless grounds for upward deviation from the presumptive penalties outlined in the presumptive penalty matrix outlined in 310.03(m) are included in the amended notice of the violation. In all other cases, violations occurring after the date of the formal notice of hearing shall must be the subject of a separate proceeding and dealt with as a "2nd Appearance" before the council. The same procedures shall must apply to a second, third or fourth appearance before the council.

~~Violations occurring after the date of the notice of hearing. Violations occurring after the date of the notice of hearing that are brought to the attention of the city attorney prior to the hearing date before an administrative law judge (or before the council in an uncontested facts hearing) may be added to the notice(s) by stipulation if the licensee admits to the facts agrees to their addition or if Council or the Administrative Law Judge grants the City's motion to amend the notice and add the additional violations, and shall may in that case be treated as though part of the "1st Appearance" unless grounds for upward deviation from the presumptive penalties outlined in the presumptive penalty matrix outlined in 310.03(m) are included in the amended notice of the violation. In all other cases, violations occurring after the date of the formal notice of hearing shall must be the subject of a separate proceeding and dealt with as a "2nd Appearance" before the council. The addition of additional violations is grounds for upward departure. The same procedures shall must apply to a second, third or fourth appearance before the council.~~

(iv) *Subsequent appearances.* Upon a second, third or fourth appearance before the council by a particular licensee, the council shall impose the presumptive penalty for the violation or violations giving rise to the subsequent appearance without regard to the particular violation or violations that were the subject of the first or prior appearance. However, non-critical violations of chapter 331A shall not be counted as an "appearance" before the council in relation to any violation other than another violation of chapter 331A.

(v) *Computation of time.*

(1) *Second appearance.* A second violation within twelve (12) months shall must be treated as a second appearance for the purpose of determining the presumptive penalty.

(2) *Third appearance.* A third violation within eighteen (18) months shall must be treated as a third appearance for the purpose of determining the presumptive penalty.

(3) *Fourth appearance.* A fourth violation within twenty-four (24) months shall must be treated as a fourth appearance for the purpose of determining the presumptive penalty.

(4) Any appearance not covered by subsections (1), (2) or (3) above shall must be treated as a first appearance. Measurement of the twelve-, eighteen-, or twenty-four-month period shall is as follows: The beginning date shall be the earliest violation's date of appearance before the council or payment of the fine related to the violation, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.

(5) Notwithstanding subsections (iv)(1), (2), (3) or (4) above, a second appearance before the council regarding a death or great bodily harm in a licensed establishment that is related to a violation of the law or license conditions shall must be counted as a second appearance, regardless of how much time has passed since the first appearance if the first appearance was also regarding a death or great bodily harm in a licensed establishment. A third appearance for the same shall must be counted as a third appearance regardless of how much time has passed since the first or second appearance.

(6) Violations of the General presumptive penalty matrix, the Intoxicating liquor, malt liquor presumptive penalty matrix and the Tobacco presumptive penalty matrix are meant to be cumulative. For the purpose of a second, third or fourth appearance under this section, "violation" shall must mean either one of those violations listed in paragraph (m) 1, 2, or 3. ~~or a violation of section 409.26(b).~~

SECTION 5

Section 310.06 is renumbered as 310.04 and amended as follows:

Sec. ~~310.06~~ 310.04. Revocation; suspension; adverse actions; imposition of conditions.

(a) *Council may take adverse action.* The council is authorized to take adverse action, as defined in section 310.01 above, against any or all licenses or permits, licensee or applicant for a license, as provided in and by these chapters. Adverse actions against entertainment licenses issued under chapter 411 of the Legislative Code may be initiated for the reasons set forth in subsection (b) below, or upon any lawful grounds which are communicated to the license holder in writing prior to the hearing before the council. Such actions ~~shall~~ must be initiated and carried out in accordance with the procedures outlined in section ~~310.05~~ 310.03; provided, however, that the formal notice of hearing ~~shall~~ must be used to initiate the adverse action. ~~without the use of prior procedural steps.~~

(b) *Basis for action.* Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters:

- (1) The license or permit was procured by misrepresentation of material facts, fraud, deceit or bad faith.
- (2) The applicant or one acting in his or her behalf made oral or written misstatements or misrepresentations of material facts in or accompanying the application.
- (3) The license was issued in violation of any of the provisions of the zoning code, or the premises which are licensed or which are to be licensed do not comply with applicable health, housing, fire, zoning and building codes and regulations.
- (4) The license or permit was issued in violation of law, without authority, or under a material mistake of fact.
- (5) The licensee or applicant has failed to comply with any condition set forth in the license, or set forth in the resolution granting or renewing the license.
- (6) a. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or

applicant) has violated, or performed any act which is a violation of, any of the provisions of these chapters or of any statute, ordinance or regulation reasonably related to the licensed activity, regardless of whether criminal charges have or have not been brought in connection therewith;

b. The licensee or applicant has been convicted of a crime that may disqualify said applicant from holding the license in question under the standards and procedures in Minnesota Statutes chapter 364; or

c. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has engaged in or permitted a pattern or practice of conduct of failure to comply with laws reasonably related to the licensed activity or from which an inference of lack of fitness or good character may be drawn.

(7) The activities of the licensee in the licensed activity created or have created a serious danger to the public health, safety or welfare, or the licensee performs or has performed his or her work or activity in an unsafe manner.

(8) The licensed business, or the way in which such business is operated, maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public.

(9) Failure to keep sidewalks or pedestrian ways reasonably free of snow and ice as required under chapter 114 of the Saint Paul Legislative Code.

(10) The licensee or applicant has shown by past misconduct or unfair acts or dealings: physical abuse, assaults or violent actions done to others, including, but not limited to, actions meeting the definition of criminal sexual conduct pursuant to Minnesota Statutes sections 609.342 through 609.3451; sexual abuse, physical abuse or maltreatment of a child as defined in Minnesota Statutes section 626.556, subdivisions 2 and 10e, including, but not limited to, acts which constitute a violation of Minnesota Statutes sections 609.02, subdivision 10; 609.321 through 609.3451; or 617.246; neglect or endangerment of a child as defined in Minnesota Statutes section 626.557, subdivision 2; the manufacture, distribution, sale, gift, delivery, transportation, exchange or barter of a controlled substance as defined in Minnesota Statutes chapter 152; the possession of a controlled substance as defined in Minnesota Statutes chapter 152 in such quantities or under circumstances giving rise to a reasonable inference that the possession was for the purpose of sale or distribution to others; or by the abuse of alcohol or other drugs, that such licensee or applicant is not a person of the good moral character or fitness required to engage in a licensed activity, business or profession.

(11) The licensee or applicant has materially changed or permitted a material change in the design, construction or configuration of the licensed premises without the prior approval of the city council in the case of Class N licenses, the ~~director~~ Director in the case of Class T licenses, and the ~~inspector~~ Director in the case of Class R licenses, or without first having obtained the proper building permits from the city.

(14) The licensee has failed to pay license fees within sixty (60) days of the date the fees are due. Licensee must pay any outstanding fees and delinquent fees in total. Failure to do so within sixty (60) days of the due date may result in revocation of the license. A revocation for this reason, however, is not considered a revocation resulting from misconduct or unfitness of the licensee, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. Therefore, the requirement of § 310.02 prohibiting re-application within one year of revocation shall not apply to revocations under this paragraph.

With respect to any license for activities entitled to the protection of the First Amendment, notwithstanding the foregoing provisions, neither the lack of good moral character or fitness of the licensee or applicant nor the content of the protected speech or matter shall must be the basis for adverse action against the license or application.

(c) *Imposition of reasonable conditions and/or restrictions.* When a reasonable basis is found to impose reasonable conditions and/or restrictions upon a license issued or held under these chapters, any one (1) or more such reasonable conditions and/or restrictions may be imposed upon such license for the purpose of promoting public health, safety and welfare, of advancing the public peace and the elimination of conditions or actions that constitute a nuisance or a detriment to the peaceful enjoyment of urban life, or promoting security and safety in nearby neighborhoods. ~~The inspector~~ Director ~~may impose such conditions on Class R licenses with the consent of the license holder, or may recommend the imposition of such conditions as an adverse action against the license or licenses; the inspector has the same power with respect to Class T licenses.~~ recommend the imposition of such reasonable conditions and/or restrictions as an adverse action against the license or licenses. The council may impose such conditions on Class N licenses with the consent of the license holder, as an adverse action against the license or licenses following notice and hearing as may be required. Such conditions may be imposed on a license or licenses upon issuance or renewal thereof, or upon and as part of any adverse action against a license or licenses, including suspension. Conditions imposed on a license or licenses ~~will shall~~ remain on such licenses when renewed and ~~shall must~~ continue thereafter until removed by the council ~~in the case of conditions on Class N licenses or conditions imposed by adverse action, and by the inspector in the case of Class R and T licenses.~~

(d e) *Standards for multiple license determination.* In any case in which the council is authorized to take adverse action against less than all of the licenses held by a licensee, or applied for by an applicant, the following standards may be used:

- (1) The nature and gravity of the grounds found by the council to exist upon which the adverse action would be based;
- (2) The policy and/or regulatory goals for the particular licenses involved, either as embodied in the Legislative Code or as found and determined by the council;
- (3) The interrelationship of the licenses and their relative importance to the overall business enterprise of the licensee or applicant;
- (4) The management practices of the licensee or applicant with respect to each of such licenses;
- (5) The extent to which adverse action against less than all of the licenses or applications would result in difficulty in enforcing and monitoring the adverse action taken;

SECTION 18

Section 310.19 is renumbered as 310.16 and amended as follows:

Sec. ~~310.19~~ 310.16. Discount from certain license fees.

(a) A discount will be provided for on-sale and off-sale liquor licenses, on-sale and off-sale 3.2 malt liquor licenses and on-sale strong beer and wine licenses. Such fees mentioned ~~shall~~ will be reduced seven (7) percent, contingent upon each of the following conditions:

(1) *Driver's license guide; compilation of laws*. The licensee ~~shall maintain~~ maintains on the premises, in a location accessible at all times to all employees of the licensed establishment:

a. A current driver's license guide, which ~~shall~~ must include license specifications for both adults and minors for each state (and including Canadian provinces), and ~~shall~~ must list such information from at least five (5) years prior to the present date; and

b. A current compilation of the laws relating to the sale and possession of alcoholic beverages in the state as outlined in Chapter 7515 of the State of Minnesota Rules and Minn. Stat. Ch. 340A. This compilation must also include chapters 240 through 246, 409 and 410 of the Saint Paul Legislative Code.

(2) *Signage*. The licensee ~~shall~~ must maintain on the premises, in all customer areas, current signage relating to underage consumption of alcoholic beverages, and relating to driving under the influence of alcohol. One

(1) sign must be located behind the bar, and one (1) sign must be present in each additional room or section within the lounge area in which the writing on the sign behind the bar is not clearly legible. The sign(s) must have dimensions of at least one (1) foot by one (1) foot with letters at least one-half (½) inch in height. All signs must be comfortably readable from a distance of fifteen (15) feet.

(3) *Contract with security agency.*

a. *Generally.* The licensee will ~~shall~~ participate in a training program with an approved private security agency, firm or association (hereafter "security agency") which is selected by and contracts with the city for the purpose of providing investigations and training to the licensee pursuant to this subsection. The city contract ~~shall~~ must provide (i) that the security agency ~~shall~~ is not be reimbursed by the city, but that it ~~shall~~ will recover its costs and profit by fees collected from the licensees which choose to receive the training program and investigative services, and (ii) that the security agency ~~shall~~ will charge the same amount to all licensees who choose to receive such services, so that all such licensees are treated equally and without discrimination.

b. *Investigation.* The contract with the city ~~shall~~ must provide for and require one (1) or more investigations by the security agency each calendar year into the practices of the licensee with respect to (i) age identification of customers in order to prevent sales of alcoholic beverages to minors, and (ii) preventing the sale of alcoholic beverages to persons who are obviously intoxicated. The contract ~~shall~~ must require that the security agency disclose the results of all such investigations to both the licensee and, at no cost to the city, to the department, within ten (10) days after such investigations are concluded. Failure to do so will be grounds for adverse action against the licensee's licenses. The contract ~~shall~~ must require that all such investigations ~~shall~~ must include unannounced and random attempts by minors to purchase alcoholic beverages in the licensed premises, and surveillance within the licensed premises. The security agency ~~shall~~ must employ reasonable measures to ~~minimize or~~ eliminate conflicts of interest in providing and reporting on investigations of licensees.

c. *Training.* The contract ~~shall~~ must also provide for alcohol awareness training by the security agency of all officers, employees or agents of the licensee who work in the licensed premises at least once during the calendar year. All newly hired employees or new officers or agents hired during the calendar year ~~shall~~ must receive such training within four (4) weeks following their hiring, and if they have not completed the training in that period, they may ~~shall~~ not work in the premises ~~after that four week period~~ until they have received such training.

d. *Standards for approval.* In addition to the requirements specified elsewhere in this subsection, the security agency and its investigations and training must meet or exceed the following:

1. The alcohol awareness course ~~shall~~ must cover all of the topics listed herein. The content of each training course ~~shall~~ must include, but need not be limited to:

- (a) Pertinent laws and ordinances regarding the sale of alcohol.

- (b) Verification of age, forms of identification, and forms of false or misleading age identification.
- (c) The effect of alcohol on humans and the physiology of alcohol intoxication.
- (d) Recognition of the signs of intoxication.
- (e) Strategies for intervention to prevent intoxicated persons from consuming further alcohol.
- (f) The licensee's policies and guidelines, and the employee's role in observing these policies.
- (g) Liability of the person serving alcohol.
- (h) Effect of alcohol on pregnant women and their fetuses, and in other vulnerable situations.
- (i) Training available in languages other than English that are spoken by the license holders and/or the license holders employees.

2. The security agency ~~shall~~ must have a minimum of two (2) years actual experience in alcohol awareness training. The courses may be given by one (1) or more instructors, but each instructor must have a formal education and/or training in each area they teach. The courses may be supplemented by audio-visual instruction.

3. The security agency ~~shall~~ must have sufficient personnel and physical resources to provide an alcohol awareness training course to newly hired employees within four (4) weeks after their hiring by the licensee with whom there is a contract. The cost covering the training and investigation service provided to license holders ~~shall~~ must be identified and charged equally to each participant.

The (7) seven percent ~~shall~~ will be applied to the following licenses:
