X Use as a rental

1/21/23

To whom it may concern,

The building at 1436 N. Snelling cannot be a rental because I never charged any rent. My eldest son Peter has had nothing but bad luck. He had a house in St. Paul. Peter was living with his wife and two children. One day his wife just left him; she ran away with another man. Peter was given full custody of the two children. He didn't ask for any support for them. He found out his wife wasn't paying the bills on their house so he lost his house. Then thing started spiraling out of control when he hurt his back. Peter has had four back surgeries in the last six years; with very little improvement. He eventually couldn't work anymore because of the pain. My wife and I moved up north and Peter and the kids moved into the house at 1436 N. Snelling in St. Paul. I have all the bills sent up here (in Browerville) and I pay them all.

I never asked my son to pay anything
considering the house. We love Peter
and the grandkids very much and this
is why I would never charge them
anything to live in the house in
St. Paul (1436 N. Snelling).
