Hello Mr. Steinmaus,

Ms. Moermond wants to inform you that she has received your request and it's under advisement. As I mentioned before and herein, Ms. Moermond stated that in order for you to get a grant of time, the Council will need to refer the matter back to Legislative Hearing in a resolution to consider granting a stay. She is working with Councilmembers on this and since this is quasi-judicial, you should not reach out to them directly. She has asked Dept of Safety & Inspections staff to put a hold on any notice to proceed for demolition of the building.

Any further questions, please contact me at 651-266-8563. Thanks.
