Re: Remove or Repair of the Structure at 419 Fry Street

Dear Mr. Johnson:

This is to confirm that at the City Council Public Hearing on February 23, 2022, the **City Council granted 180 days to rehabilitate or remove the above-named property.**

A reminder permits must be pulled **in person** for Category 3 properties, your contractors cannot do them online. When your rehabilitation is complete and the property has received its Code Compliance certificate, you may request your performance deposit back in writing to Reid Soley at [reid.soley@ci.stpaul.mn.us](mailto:reid.soley@ci.stpaul.mn.us).

At the conclusion of the grant of time, the Council will receive a report from the Legislative Hearing Officer with findings on the status of the substantial abatement. A Legislative Hearing will be scheduled for **Tuesday, August 23 at 10 a.m. in Room 330 City Hall** at which owners, interested parties and Department of Safety and Inspection staff will present information on the current building conditions and progress toward abatement of the dangerous/nuisance conditions. If you have received your code compliance certificate prior to that date, the hearing will be cancelled. The resulting findings will be presented to the City Council at a public hearing on **Wednesday, September 7, 2022 at 3:30 p.m. in Room 300 City Hall** for its consideration. If you wish to attend any of the hearings mentioned, you may do so.

If you have any questions, please contact me at 651-266-8515.

Sincerely,

/s/

Joanna Zimny
