RE: Making Finding Remove or Repair of the Structure at 1023 Jessie Street

Dear Ms. Costilla & Mr. Rocha:

Legislative Hearings were conducted in the above-referenced matter before Marcia Moermond, Legislative Hearing Officer, and she recommended that the City Council grant 180 days from June 16, 2021 for the nuisance building to be abated by razing and removal or rehabilitation, as evidenced by issuance of a Certificate of Code Compliance.

There will be a Legislative Hearing scheduled for **Tuesday, December 14, 2021 at 10:00 a.m.** **This hearing will be conducted via telephone, in which I will call you into the hearing.** DSI staff will present information on the current building conditions and progress toward abatement of the nuisance conditions.

If you received the Certificate of Code Compliance by December 14, 2021, this hearing will be cancelled, and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If you have *not* received the Certificate of Code Compliance by December 14, please contact Building Inspector Nathan Bruhn at nathan.bruhn@ci.stpaul.mn.us 651-266-9033 to schedule an inspection as soon as you can. Nathan Bruhn will conduct this inspection to determine percentage of completion. Other related vacant building questions, please contact Vacant Building Supervisor Joe Yannarely (joe.yannarely@ci.stpaul.mn.us or 651-266-1920).

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday, December 22, 2021 at 3:30 p.m. remotely.** **At that time before noon, please let us know by calling 651-266-8585 if you wish to appeal further and give live testimony at the City Council.**

Sincerely,

/s/

Mai Vang

Legislative Hearing Coordinator
