SA called Francisco back to suggest he switch his cart size from a medium to a small EOW size in order to lower his garbage bill. He also said he wanted to schedule a Legislative Hearing so he could speak with the hearing officer regarding his inability to pay his bills due to health issues. He had a hard time understanding what I was explaining to him (he speaks Spanish), so I will assign ticket to Clare so she can explain to him in Spanish how to change his cart size and to also schedule him for a hearing.
