Tanya,

Attached is another payment that Treasury sent to DSI but they would like us to apply the payment and remove the fees through Mai. Would you take care of this one too? Bianca, the account code is 1-21513300-54120.

Thank you,

Again - with these payments that have gone to assessments - We need to figure out how to handle the assessment if the payment was received prior to the assessment date and it has not be certified to the property taxes, we need to apply the payments and remove any additional fees.

This is a huge problem and going forward both office need to be more diligent to get these payments addressed swiftly.
