Hello Douglas,

Thank you for contacting the city of St Paul regarding your garbage assessments for your property at 1016 Iglehart. I have included a link below that you can use to look up any assessments that are pending for your property. Once you search the assessment records using your property address or PID number, you will be able to see any pending property assessments on the home page. To see any assessments that were certified to your property taxes this year, please scroll down to the bottom of the page and click on the link labeled "Assessments Certified to Property Taxes."

Let me know if you have any additional questions or concerns. I will contact you once I have heard back from the hauler regarding your January - March garbage assessment.

Best,

Clare Pillsbury

Thank you for your help but these links are what we went over already in our call this morning?

I need the trash bill assessed to my properties over the past 3-4 years?

Doug

Clare Pillsbury July 14, 2022 at 14:07

Hello Doug,

Thank you for the clarification, I have attached records of all the unpaid garbage bills for the property that were sent to assessments. I also was able to get invoice and payment records for your account with Republic and there are no records of any payments being made during Q1 2022 (Jan - March). Therefore my recommendation would be to approve the assessment.

Please let me know if you have any additional questions or concerns. If you would like to further contest the assessment, we can schedule you for a legislative hearing on July 21.

Best,

Clare Pillsbury

Thanks for following up.

Are we still on for tomorrow on this?

Also 9am - Noon is a large window for me to wait for a phone call.

Has a more "solid" time been established?

Doug

Hello Douglas,

I apologize. Based on your reply to my last email, I assumed that you did not need or want a legislative hearing. Unfortunately I don't think I will be able to get a file in by tomorrow. I can reschedule you for another hearing time later. Let me know if that works for you.

Thank you.

I Cant find the email from Republic Services.
I will keep looking or call them back.

Thank you Doug. I saw the email that you forwarded to me. Unfortunately, it only tells us that you have maintained service with Republic Services. It didn't confirm that any payments were received. Was that the email you were referring to in our last conversation or was that a different one?

What is the only one I have

Clare Pillsbury July 27, 2022 at 12:38

Got it. Just to clarify then: you don't have any emails from Republic Services that explicitly state that you have paid all your invoices with them, correct?
