We have scheduled them to have (2) 96 gallon carts at this location this Friday, January 28, 2022.

The assessment is correct and should not be reduced. I have no way of knowing if they were setting out a 96 gallon cart or a couple bags if there cart was allegedly missing or also not knowing when their cart supposedly went missing.. We never removed the cart, therefore our drivers would have removed the correct volume. Their tenants originally informed them that they didn't have any carts there and I sent in a picture showing they had at least one cart there.

I have contacted the new owner to let him know of the cart delivery on this Friday and to have the old cart out to be swapped.

Sincerely,

Susan Stewart

Hello Sue,

They are reporting that they did not have a 64-gal cart when they purchased the property in September. Is there a chance that the cart may have been removed? If so, then we would look at reducing the Q4 2021 assessment to just reflect the 96-gal cart.

Also, the property owner is requesting that Highland call them to schedule a drop off of a 96-gal cart at the property. They would like their service level to be for two 96-gal carts. Please confirm once you have scheduled the cart drop off with the property owner.

Thank you.

Yes, they are being billed for a 96 gallon cart and a 64 gallon cart.

Can you or the property owner let me know if they are missing the 64 gallon? The driver has not seen that cart for sometime.

Sincerely,

Susan Stewart

Thank you Sue. Can you confirm the cart sizes that were on site? From the billing, it looks as though they had a 96-gal and a 64-gal cart. Is that correct?

Please see attached photo showing the 95 gallon cart up by the house. I checked with my driver and he informed me that they have just been putting the 95 gallon cart out for pickup. We have never scheduled a removal of any carts at this address.

I have also attached an account history for this address. I don't believe I have gotten anything on the sale of this property so any invoices and late notices have been going to the old owner. Do you have information for the new owner?

Sincerely,

Susan Stewart
