Hello Tony,

I have just recently received another hearing for 981 Fuller Ave. rezoning again. I will not approve and my decision will not change. The property should remain as is to meet with its current zoning. Thanks and please take my consideration for the concert and safety level of the community.

Hello Tony, my name is Kao Yang property at 997 Central Avenue west. I have received a letter for zoning change for property 981 Fuller Ave. I personally not agree and will not approve of the change for the following reasons.

This is most commonly a single family home. It concerns me and I worry that people coming to the property will take up all of the parking spaces on the street. It will increase the overall traffic to unsafe levels or simply make the area less attractive and push these property values down.

Thanks and please take my consideration.

Kao Yang.
