RE: Support for Class N Licensing Project

Dear Mayor Carter, Council President Brendmoen and City Council Members:

I am writing to inform you that at the October 5, 2022 Business Review Council (BRC) meeting, BRC Members finalized our review and recommendation of the Class N Licensing Project ordinance amendments.

Members expressed appreciation for the continuing BRC-City partnership and the proposed licensing application improvements that advance the ease and ability to do business in the City of Saint Paul. Members noted the more-timely review and greater certainty provided in the proposed ordinance amendments.

Consequently, the Business Review Council voted unanimously in support of the Class N Licensing Project ordinance amendments.

We appreciate your time and attention to this matter and thank you in advance for fostering a business-friendly Saint Paul. Please feel free to contact me, or BRC staff, Odell Brown, should you have any questions regarding this Business Review Council action.

Sincerely,

Tonya K. Bauer, Chair
Saint Paul Business Review Council
