Dan,

This is a notification to the Department of Natural Resources that our office has received an appeal application (attached) for a project in Pigs Eye Lake within the River Corridor Overlay District. Please contact me if you have any further questions or concerns. (Perhaps you'd like to submit a formal statement regarding this appeal application that we could provide to the Board of Zoning Appeals.) This case is scheduled for August 8<sup>th</sup>.

Regards,

**David Eide**
