Hello Dylan,

I am assuming this is for 1693 Beech? I have forwarded your request to Karl Mueller at Forestry Division to put together a file for the hearing on March 1, 2022 via teleconference between 10 am and noon. We will call you from 612-315-7905 when your item is up. Not sure if Karl Mueller will reach out to you before the hearing.

Hello,

I would like to object to me being billed for this. Reason being I moved into this property/ Purchased this property on November 10th and without any knowledge that this was going to happen so soon or having any time to do this on my own. The tree removal people came within our first week of living here. I got no warning besides the day they came to remove the tree and said they would be on my property.

Thank you for reading,
Dylan
