CORRECTION NOTICE

Date: **July 13, 2022**
RE: **1712 ORANGE AVE E**
File #: **22-065990**

Dear Sir/Madam:

The City of Saint Paul, Department of Safety and Inspections has inspected the above referenced property on **July 13, 2022** and has determined that the following deficiencies exist in violation of the Saint Paul Legislative Code¹ (see footnote 1, below).

1. **SPLC 33.07 FENCES:** No person shall construct, or cause to be constructed, any fence in the city without first obtaining and completing a fence plan review from the building official. A fence inspection is not required for all fence installation, but fences may be subject to inspections. Please contact DSI at 651-266-8989 to obtain a plan review. Failure to obtain a plan review may result in Excessive Consumption Fees.

PLEASE REMOVE THE UNAPPROVED FENCE FROM THE FRONT YARD OR APPLY AND OBTAIN ZONING APPROVAL FOR A NEW FENCE THAT MEETS CODE. THANK YOU.

2. **SPLC 34.08 (3) GROUND COVER:** Provide and maintain suitable ground cover on all exterior areas to control erosion, dust, and mud by suitable landscaping with grass, trees, shrubs, or other planted ground cover.

PLEASE REMOVE ALL CLASS 5 ROCK FROM THE FRONT YARD AND REPLACE GRASS. THANK YOU.

3. **SPLC 34.08 PARKING:** Parked or stored vehicles. All existing parking spaces shall consist of asphalt, concrete, gravel rock, or other durable and dustless surfaces. Existing parking surfaces must be maintained in a professional state of repair and may be maintained with like materials without additional approval from the city. Existing parking surfaces must be contained to eliminate migration onto other adjacent surfaces and must be clearly delineated. In all residential districts, off street parking shall not be located within any front yard or non-interior side yard. Before any existing parking spaces or driveways may be expanded upon, site plan approval must be obtained as specified in the Saint Paul Zoning Code and the lot must be developed in conformance with such approval.

PLEASE REMOVE THE VEHICLES PARKED ON THE UNAPPROVED GRAVEL PARKING AREA FROM THE FRONT YARD. THANK YOU.

You are hereby notified to correct these deficiencies in accordance with the appropriate codes. The Enforcement Officer will re-inspect these premises on or after **July 26, 2022**, by which date the violations noted must be corrected. Failure to correct these deficiencies may result in an abatement and/or additional fees for re-inspection.

You may file an appeal to this notice by contacting the City Clerk at 651-266-8585. Any appeal must be made in writing within 10 days of this notice. (You must submit a copy of this Notice when you appeal and pay a filing fee.)

If you have any questions or request additional information, please contact me. To arrange an appointment or request an extension of time to complete repairs, you will need to speak directly to me at 651-266-8995.

Sincerely,

David Smith

WARNING: Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
