Subject: Hearing

Hello,

I received a notice for Public Hearing for 850 Randolph Avenue. The hearing date was for May 3rd. I did not receive this notice within the 5 days of this hearing and then unexpectedly had to deal with a family covid situation. I would like to request a new hearing as these charges are incorrect. I had been speaking with the fire inspector about this fee as he was going to remove a reinspection fee on the account. He directly told me not to pay this until I received a new invoice from him without the reinspection fee on there. Then I received this notice which is even more money. Please let me know when I can schedule a hearing.

Thank you,

Tim
