Hello fellas,

I am working patrol today (Sunday, 04-03-2022)

We were sent to 16 W Acker. It is a condemned property, not sure if you guys would have it or not. Someone ripped the placards off and has been staying inside. There was an odor of gas and the water main in the basement was broke and gushing water.

Fire checked the gas, excel shut off the gas, and water dept had to come out and shut off the water. It will also need to be secured again.

I will be here Mon-Thurs. and can assist out there if need be.

Thanks,

Officer Shawn Filiowich
