Because it's a very nice + clean store
convinced for the neighborhood candy is
reasonable for the children nobody is hanging
out in front of the store harrassing you
for change, ^{etc} or trying to sell you something
i've been coming here for 5 years it's two
blocks away from where i live when all the
other stores closes at/between 7/8 pm

WHAT SHOULD THE ST. PAUL CITY COUNCIL KNOW ABOUT EAST SIDE GROCERY AND THEIR SERVICES THEY PROVIDE FOR YOUR COMMUNITY?

I feel that the store should remain open because it's a staple in the community and a lot of people in the neighborhood would have to travel further distances to be serviced. I feel like if there was another option that the city should exercise that without having to shut down the store.

WHAT SHOULD THE ST. PAUL CITY COUNCIL KNOW ABOUT EAST SIDE GROCERY

East Side Grocery is one of many many Payne Avenue businesses that I love alot. In my opinion all taxation throughout the United States should be abolished. That would dramatically improve world peace and peace in America the Americas.

About specifically East Grocery, I have been living around the block, west so it's 1340 Searle / 1340 Payne. I have personally seen this specific store adapt, find growth, and keep stable. That is obviously smart business people.

The world is very complicated. I like East Grocery stocking Kirkrip whole milk - fresh. They're progressive.

The governments of the world need to back off stop being militaristic, and let heaven on earth descend.
