Hello,

I wanted to inform you that we will be contesting the charge for "securing and/or Emergency Boarding of a Structure on Private Property". (see the attached letter) This door was broken by the St. Paul Police while performing a wellness check. Another resident called the police since they heard screaming and kids crying inside the home. We don't feel we should be charged as this was a wellness check. We will be attending the hearing on November 1st at 9am.

Thanks,

Emily Christiansen
