Hello Abby,

Thank you for your input in this matter.

I've copied the Legislative Hearing Officer email address listed on the public notice that was sent.

Any expression of concern regarding an application must go to the Legislative Hearing Officer so it can be properly addressed.

I believe they will be contacting you to explain the next step in the processing of this application.

Hello,

I would like to express my support for Billy's renewing their liquor license, however, I would like to oppose a 2:00am closing. I would be in favor of a 12:00am liquor on-sale closing.

Thank you.
