Re: Making Finding on the Remove or Repair of the Structure at 419 FRY STREET

Dear Mr. Johnson:

Legislative Hearings were conducted in the above-referenced matter before Marcia Moermond, Legislative Hearing Officer, and she recommended that on February 23, 2022, the City Council grant an additional 180 days for the nuisance building to be abated by razing and removal or rehabilitation, as evidenced by issuance of a Certificate of Code Compliance.

There will be a Legislative Hearing scheduled for **Tuesday, August 23, 2022 between 10:00 a.m. and 12:00 p.m. in Room 330 City Hall/Courthouse, 15 W. Kellogg Blvd, St Paul MN 55104** at which DSI staff will present information on the current building conditions and progress toward abatement of the nuisance conditions.

If you received the Certificate of Code Compliance by August 23, 2022, this hearing will be cancelled and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If you have *not* received the Certificate of Code Compliance by August 23, 2022, **please contact Building Inspector Nathan Bruhn at 651-266-9033 as soon as possible for an inspection** before the hearing. For other vacant building related questions, contact Joe Yannarelli at 651-266-1920.

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday, September 7, 2022 at 3:30 p.m. in Room 300 Council Chambers.**

Sincerely,  
/s/

Mai Vang  
Legislative Hearing Coordinator
