Hi Joanna,

Hopefully, you recall that I (1084 Larpenteur Ave W) was waiting for a delayed response to a STAR grant, and was given an extension for compliance because work could not be started before the grant was either given or denied. The STAR grant was not given and I was informed of this on September 7 via email. My difficulty now is that the company I had spoken with earlier cannot begin work until after the middle of November due to prior commitments. Is there a possibility of an extension until January 1, 2023?

Please call when you have a few minutes to discuss.

Thank you,

Arnie Kampa
