My wife (Chris Cruz Harper), has a car gifted to her by her mother, Teodora Cruz. Teodora died in May of 2022 and did not have the title. My wife got a duplicate title - however, there was a lien on the car that my wife did not know about. (see attached sheet)

My wife has been on the phone for two days with Ford, to get the loan taken care of → (on hold)

It is likely that we will not get the loan release by 12/21.

~~My car~~
~~Our~~ Our goal is to donate the car as soon as possible - my wife is working with Peddle.com to remove/donate the car.

We were not aware that this was a problem, as the car is in the alley, not a city street. We would like an extension of a month to resolve this issue - to be rid of the car.

Thank you!
