Thanks for following up,

I just checked and it looks like the hearing officer reviewed your documents, and will be recommending that the Council reduce the assessment from \$836.50 to \$679.50 (removing the admin fees).

The City Council Public Hearing is scheduled for Wednesday, July 20, 2022 at 3:30 pm. in room 300 City Hall. If you are contesting Ms. Moermond's recommendation, you may appear in person or send written testimony to be added to the record to legislativehearings@ci.stpaul.mn.us or by voicemail at 651-266-6805. **Should you wish to address Council directly but not appear in person, you must register in person by noon on the Tuesday immediately prior to your Public Hearing here: <https://www.stpaul.gov/departments/city-council/city-council-public-hearing-live-testimony>.** If you don't wish to contest, no further action is needed and the Council will proceed with Ms. Moermond's recommendation above.

Thank you,
Joanna

Helo,

Please see enclosed e-mail from 2/23/22 and previous correspondence with fire inspector.

The questions that i had at the time were in regards to re-inspection fees for properties at 1128 and 670 (664).

I also called couple times later to follow up on the status/updates.

I appreciate your work very much and had no intention to waste anyone's time or avoid assessments for either property.

Due to my absence from Minnesota I completely missed the hearing for 1128 and I appreciate very much that you gave me an opportunity to share my questions about 664 with you.

Please let me know if there is anything else i need to submit.

Sincerely,
Felix Aleynikov
