Subject: FW: FW: FW: FW: 1605 Western Ave N, Saint Paul, Minnesota, 55117 - (Quarter 4 (October - December)) - Assessment Inquiry

Hello Mai,

Can you add this email to the legislative hearing file for the above property? I just need the staff comments section updated to the following:

Current hauler records show that the first contact with the property regarding a temporary service hold was in February 2022. Based on the inquiry, the service hold was back dated to 1/1/2022. However, the property owner stated that they originally reached out to the hauler in November 2021 and was able to provide documentation of an email from the hauler that was sent on 11/24/2021 and included instructions on how to request a temporary service hold as well as the temporary service hold form. The property owner stated that they filled out the temporary service hold form and mailed it back to hauler. The form appears to not have been applied as city records show that the property owner submitted an inquiry to the city on 2/1/2022 to find out why the temporary service hold had not been applied to the account. As a response to the inquiry, the hauler stated that customer service representative had found the application for the temporary service hold after speaking to the property owner and had applied the temporary service hold to be effective as of 1/1/2022. Based on the fact that there does appear to have been a delay in applying the temporary service hold, staff recommends removing the assessment.

I also need the attachment for this email added to the file. Its just a copy of an email that the hauler sent to the property owner regarding a temporary service hold.

What I have listed below is the reply I sent in regards to this issue.

She called us in Feb 2022 about a vacation hold - we did back date it to 1.1.22

She called CE yesterday and was told that.

Thank you Mary. I spoke to the property owner again and they stated that they called WM to submit a service hold in November and were told that they would be sent an email with the service hold attached. However, this email was never sent. When the property owner called back in December, they were told that the email had been entered incorrectly. Are there records of the property owner calling in November to request a service hold? Please confirm and send all records of contact with the property owner from Q4 2021 - Q1 2022.

As there is a hearing for this property this week, please respond by 4:00 PM today.

Best,

She called us in Feb to state her account should be on vacation or service hold – CE could not find any paperwork from her.

But the put a stop on the account as of 1.1.22.

4th Qtr 2021 Billing – she had a carryover credit from 3rd Qtr 2021. We billed her 32 gal weekly service, taxes and 3 finance charges. So she did not pay us the balance on 4th Qtr.

1st Qtr 2022 Billing – she was billed for 32 gal weekly service and taxes. Canceled account as of 1.1.22 – so Jan to March charges were credited off.
