Re: Remove or Repair of the Structure at 1803 Ivy Avenue East

Dear Timothy Hay & Joe Steinmaus:

This is to confirm that at the Legislative Hearing on August 23, 2022 Legislative Hearing Officer Marcia Moermond laid the matter over to Legislative Hearings on **Tuesday, September 27, 2022 in room 330 City Hall.**

By close of business September 23, 2022 the following items must be completed:

- 1. Post a \$5,000 Performance Deposit with the Department of Safety & Inspections;**
- 2. submit evidence of financing sufficient to complete the rehabilitation. Staff estimates costs to exceed \$100,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis;**
- 3. submit an affidavit indicating the finances will be dedicated to completing the project and not diverted until a code compliance certificate is issued; and**
- 4. submit updated work plan based on Code Compliance Inspection report. This should include **signed** subcontractor bids and a schedule for completion of the project; and**
- 5. the property must be maintained.**

If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
