The Minnesota Licensed Beverage Association supports Ordinance 22-36 that will be brought up today at the August 10th, 2022 council meeting for a public hearing. Amending Chapter 409.01 of the Legislative Code to align with the requirements for a caterer's permit with Minnesota State Statute 340A.404 Subd. 12 will provide clarity and consistency for involved businesses here in St. Paul.

We appreciate the time and effort taken by both the St. Paul City Councilmembers and the Department of Safety and Inspections on this matter. These collaborative efforts are appreciated as they allow for all parties to supply input to allow all voices to be heard.

Thank you again for your thoughtful attention to this matter.

Respectfully submitted,
