Hello Frank,

I am very sorry to bother you again.

I have recently received the notice attached in this e-mail and nothing else since our last conversation.

Would you be so kind to check on the corrected notice for 1128 7th west?

I haven't received anything for 670 7th west either.

My apologies in case updated notices were already mailed.

Once again, thank you very much for your help!

Felix

Hello Frank,

I have tried to e-mail you all the items previously but e-mail was returned due to the size of video files. If you don't mind i will e-mail you screenshots of the videos and you tell me if you'd need additional proof.

Please see attached files as a proof for all the items.

Please let me know if there is anything else i need to submit. I am very sorry about the delay as I wasn't aware that e-mail bounced due to its size.

Helo,

Please see enclosed e-mail from 2/23/22 and previous correspondence with fire inspector. The questions that i had at the time were in regards to re-inspection fees for properties at 1128 and 670 (664).

I also called couple times later to follow up on the status/updates.

I appreciate your work very much and had no intention to waste anyone's time or avoid assessments for either property.

Due to my absence from Minnesota I completely missed the hearing for 1128 and I appreciate very much that you gave me an opportunity to share my questions about 664 with you.

Please let me know if there is anything else i need to submit.

Sincerely,
Felix Aleynikov
