RE: Tobacco Shop and Liquor Off-Sale licenses held by River Spirits, LLC d/b/a Liquor Village for the premises located at 2289 Ford Parkway in Saint Paul.
License ID #20120000541

Dear Mr. Gukbranson::

Please take notice that this matter has been set on the Council Hearing Agenda for a City Council meeting on **Wednesday, October 11, 2023 at 3:30 p.m.** in the City Council Chambers, Third Floor, Saint Paul City Hall and Ramsey County Courthouse, 15 West Kellogg Boulevard, Saint Paul, MN 55102.

We received an email from you on September 18, 2023, indicating that you were not contesting the facts related to the incident, but was requesting an opportunity to address the Council regarding the penalty, the resolution and any supporting documents.

This is an uncontested license matter related to a tobacco compliance check conducted at the licensed premises by the Department of Safety and Inspections. During that compliance check a clerk sold an underage person a package of Malboro Red cigarettes without asking her age or requesting identification which would have indicated she was underage.

This is a first violation regarding the sale of tobacco products to an underage person. The licensing office will recommend a \$500 matrix penalty.

Sincerely,

/s/

NOTICE OF VIOLATION
RECOMMENDATION FOR IMPOSITION OF \$500 MATRIX PENALTY
FOR TOBACCO YOUTH COMPLIANCE CHECK FAILURE

River Spirits, LLC

2289 Ford Parkway
Saint Paul, MN 55116-1818
Attn: Lucas Gukbranson

RE: Tobacco Shop and Liquor Off Sale licenses held by River Spirits, LLC, d/b/a Liquor Village for the premises located at 2289 Ford Parkway in Saint Paul
License ID #: 20120000541

Mr. Gukbranson:

The Department of Safety and Inspections ("Department") will recommend adverse action against the Tobacco Shop license held by River Spirits, LLC, d/b/a Liquor Village ("Licensee") for the premises located at 2289 Ford Parkway in Saint Paul ("Licensed Premises").

Minnesota Statute § 461.12, Subd. 5 states: "A licensing authority shall conduct unannounced compliance checks at least once each calendar year at each location where tobacco, tobacco-related devices, electronic delivery devices, or nicotine or lobelia delivery products are sold to test compliance with sections 609.685 and 609.6855."

Saint Paul Legislative Code Section 310.04 sets forth a variety of reasons under which adverse actions can be based. Section 310.04(b)(6)(c) states that adverse action can be pursued for failure to comply with laws related to the licensed activity or from which an inference of lack of fitness or good character may be drawn.

Saint Paul Legislative Code Section 310.04 (b) (8) states that adverse action can be pursued because "the licensed business, or the way such business is operated, maintains or permits conditions that unreasonable annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public."

Saint Paul Legislative Code §324.07(i) prohibits the sale of tobacco products to person under the age of twenty-one (21) years.

Minnesota Statute §609.685, Subd. 1.a also prohibits the sale of tobacco to persons under age 21.

Saint Paul Legislative Code §324.10 (b) (1) sets forth the penalty of \$500 for a first-time violation for the sale of tobacco products to a person under twenty-one (21) years of age.

The Department asserts the following facts along with attachments herein constitute proof of a violation of Saint Paul Legislative Code §324.07(i) and Minnesota Statute § 609.685, Subd. 1.a by a preponderance of the evidence.

Synopsis of alleged facts:

On August 21, 2023 at 12:11 p.m., a tobacco compliance check was conducted at Liquor Village at 2289 Ford Parkway. An eighteen (18) year-old female entered your store to purchase cigarettes. She was not asked her age or to show her identification which would have indicated she was underage. The clerk then sold her a package of Marlboro Red cigarettes. Inspector Vang came into the establishment after the sale and spoke to the clerk, Anthony Beckman. He was informed that he failed the youth compliance check by selling Marlboro Red cigarettes to an underage person.

As the Licensee you have four (4) options:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **Monday, September 25, 2023**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent Agenda for approval of the proposed remedy.
2. You can admit to the violation and pay the \$500 matrix penalty. If this is your choice, send the payment directly to DSI at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **Monday, September 25, 2023**. A self-addressed envelope is enclosed for your convenience. Payment of the \$500 matrix penalty will be considered a waiver of the hearing to which you are entitled.
3. If you wish to admit the facts but you contest the \$500 matrix penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a hearing no later than **Monday, September 25, 2023**. The matter will then be scheduled before the City Council to determine whether to impose the \$500 matrix penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **Monday, September 25, 2023**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a public hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing, per Saint Paul Legislative Code § 310.03 (k).

If you have not contacted me by Monday, September 25, 2023, I will assume that you do not contest the imposition of the \$500 matrix penalty. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

Think Before You Click: This email originated **outside** our organization.

Thank you for taking the time to speak to me Therese. This is important to me to make it right. I've been upset about it since it happened because I know my former employee knew better because of what he was taught by me. So yes, I would like to admit to the violation but go before the city council to see if they would be willing to do anything about the fine because of our history and terminating the employee. I will wait to hear from Julie.

Thank you

Good afternoon Mr. Gulbranson –

Thank you for your time this afternoon. Please reply to this email to confirm that are admitting the violation but that you want to address city council on the penalty. I understand how important this matter is to you and that this is the first time that you have failed a compliance check. I also understand that you want to let city council know that you terminated the problem employee who failed the check.

Once you reply, Julie will pull together a few dates for your consideration and we can get on the city council agenda.

Adverse actions against entertainment licenses issued under chapter 411 of the Legislative Code may be initiated for the reasons set forth in subsection (b) below, or upon any lawful grounds which are communicated to the license holder in writing prior to the hearing before the council. Such actions must be initiated and carried out in accordance with the procedures outlined in section 310.03; provided, however, that the formal notice of hearing must be used to initiate the adverse action.

(b) *Basis for action.* Such adverse action may be based on one (1) or more of the following reasons, which are in addition to any other reason specifically provided by law or in these chapters:

(1) The license or permit was procured by misrepresentation of material facts, fraud, deceit or bad faith.

(2) The applicant or one acting in his or her behalf made oral or written misstatements or misrepresentations of material facts in or accompanying the application.

(3) The license was issued in violation of any of the provisions of the zoning code, or the premises which are licensed, or which are to be licensed do not comply with applicable health, housing, fire, zoning and building codes and regulations.

(4) The license or permit was issued in violation of law, without authority, or under a material mistake of fact.

(5) The licensee or applicant has failed to comply with any condition set forth in the license or set forth in the resolution granting or renewing the license.

(6) a. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has violated, or performed any act which is a violation of, any of the provisions of these chapters or of any statute, ordinance or regulation reasonably related to the licensed activity, regardless of whether criminal charges have or have not been brought in connection therewith;

b. The licensee or applicant has been convicted of a crime that may disqualify said applicant from holding the license in question under the standards and procedures in Minnesota Statutes chapter 364; or

c. The licensee or applicant (or any person whose conduct may by law be imputed to the licensee or applicant) has engaged in or permitted a pattern or practice of conduct of failure to comply with laws reasonably related to the licensed activity or from which an inference of lack of fitness or good character may be drawn.

(7) The activities of the licensee in the licensed activity created or have created a serious danger to the public health, safety or welfare, or the licensee performs or has performed his or her work or activity in an unsafe manner.

(8) The licensed business, or the way in which such business is operated, maintains or permits conditions that unreasonably annoy, injure or endanger the safety, health, morals, comfort or repose of any considerable number of members of the public.

(9) Failure to keep sidewalks or pedestrian ways reasonably free of snow and ice as required under chapter 114 of the Saint Paul Legislative Code.

(10) The licensee or applicant has shown by past misconduct or unfair acts or dealings: physical abuse, assaults or violent actions done to others, including, but not limited to, actions meeting the definition of criminal sexual conduct pursuant to Minnesota Statutes sections 609.342 through 609.3451; sexual abuse, physical abuse or maltreatment of a child as defined in Minnesota Statutes section 626.556, subdivisions 2 and 10e, including, but not limited to, acts which constitute a violation of Minnesota Statutes sections 609.02, subdivision 10; 609.321 through 609.3451; or 617.246; neglect or endangerment of a child as defined in Minnesota Statutes section 626.557, subdivision 2; the manufacture, distribution, sale, gift, delivery, transportation, exchange or barter of a controlled substance as defined in Minnesota Statutes chapter 152; the possession of a controlled substance as defined in Minnesota Statutes chapter 152 in such quantities or under circumstances giving rise to a reasonable inference that the possession was for the purpose of sale or distribution to others; or by the abuse of alcohol or other drugs, that such licensee or applicant is not a person of the good moral character or fitness required to engage in a licensed activity, business or profession.

(11) The licensee or applicant has materially changed or permitted a material change in the design, construction or configuration of the licensed premises without the prior approval of the city council in the case of Class N licenses, the Director in the case of Class T licenses, and the Director in the case of Class R licenses, or without first having obtained the proper building permits from the city.

(12) The licensee or applicant has violated section 294.01 of the Legislative Code or has made or attempted to make a prohibited ex-parte contact with a council member as provided in section 310.03 (c-2) of the Legislative Code.

(13) The licensee violated the law, or any license condition and that violation is related to a death or great bodily harm, as defined in Minnesota Statute section 609.02, subd. 8, in or near the establishment.
