RE: Tobacco Shop license held by Garso Mini Mart d/b/a Garso Mini Mart for the premises located at 189 7th Street East in Saint Paul.
License ID #: 20180002292

Dear Licensee:

The Department of Safety and Inspections ("Department") has recommended adverse action against the Tobacco Shop license held by Garso Mini Mart ("Licensee") herein for the premises known as Garso Mini Mart located at 189 7th Street East (Licensed Premises").

Legal Basis for Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee or applicant for a license. 'Adverse action' includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. 'Adverse action' also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §324.07(j) states, "[n]o person may sell, offer for sale, or otherwise distribute any flavored products, unless excepted under section 324.07(l) of this chapter."

Saint Paul Legislative Code §324.03(5) defines flavored products as:

"any tobacco product, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product that contains a taste or smell, other than the taste or smell of tobacco that is distinguishable by an

ordinary consumer either prior to or during the consumption of the tobacco product, electronic delivery device, or nicotine or lobelia delivery product, including, but not limited to, any taste or smell relating to menthol, mint, wintergreen, chocolate, cocoa, vanilla, honey, fruit or any candy, dessert, alcoholic beverage, herb, or spice. A public statement or claim, whether express or implied, made or disseminated by the manufacturer of a tobacco product, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product, or by any person authorized or permitted by the manufacturer to make or disseminate public statements concerning such product or device, that the product or device has or produces a taste or smell other than tobacco will constitute presumptive evidence that the product or device is a flavored product.”

Finally, Saint Paul Legislative Code §324.010(b) provides a presumptive penalty of a 10-day suspension for “[d]isplay possession or multiple incidents of sales of; single cigarettes; menthol tobacco products; or *flavored tobacco products*” (emphasis added).

Adverse Action Recommendation:

The Department of Safety and Inspections will recommend a 10-day license suspension penalty for violating the Saint Paul Legislative Code §324.07(j) and selling flavored tobacco with a Tobacco Shop license.

Factual basis for imposition of 10-day license suspension penalty:

On November 20, 2023, Department of Safety and Inspections (DSI) Inspector Joseph Voyda went to the Licensed Premises to inspect the premises due to a flavored tobacco products complaint. Inspector Voyda spoke with the owner Mohamed and introduced himself as a licensing Inspector for the City of Saint Paul with the DSI. Inspector Voyda explained to Mohamed that he was there for an inspection from a complaint that was received by DSI from the Minnesota Department of Revenue (MDR), for flavor tobacco products being offered for sale. Mohamed then said, “I know, I just tried to call you and I left a message.” With permission from Mohamed Inspector Voyda went behind the counter to conduct an inspection, in plain sight behind the counter flavored cigars were found on display on the shelf and two new box packages of flavored cigars were also found under the counter. On the ground in a black bag, ten packs of menthol cigarettes were shown to Inspector Voyda by Mohamed. Inspector Voyda asked if there were any other flavored tobacco hidden, Mohamed said, “no, the MDR seized all the other flavored vape product for no invoice.”

Mohamed then said, “I know I can’t sell those menthol cigarettes, but what about these types of cigars, are these okay to sell?” Inspector Voyda explained to Mohamed that at the time his license was issued to him he was educated by Inspector Voyda himself, about the many types of flavored tobacco products that he could and could not sell. Inspector Voyda continued explaining, saying, “One of the products we spoke about, I was very specific of these types of flavored cigars. I educated you that the distributor will say that these are not

flavors, I also was very adamant that these Dutch 'Sweet Fusion' cigars are indeed flavors, and you may not sell these due to the fact that these cigars are berry, fruity with other flavors that are prohibited to sell with your type of license. If 'Fusion' is a part of the name it is a dead giveaway that they are fused with some other type of flavor, do not purchase them and do not offer for sale in or on the licensed premises."

Mohamed then stated, "I don't make too much money with tobacco its very slow, I just wanted to make money by selling these menthol cigarettes, *I know I'm not allowed to*" (emphasis added).

You have four (4) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **December 7, 2023**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for approval of the proposed remedy.
2. You can accept the penalty. If this is your choice, you should indicate it directly to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **December 7, 2023**. A self-addressed envelope is enclosed for your convenience. Acceptance of the penalty will be considered an admission to the violation and waiver of the hearing to which you are entitled. This matter will then be placed on the City Council Consent agenda for imposition of the recommended penalty of a 10 day suspension.
3. If you wish to admit the facts but you contest the 10-day license suspension penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **December 7, 2023**. The matter will then be scheduled before the City Council to determine whether to impose the penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **December 7, 2023**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

Sec. 324.10. - Presumptive penalties.

(a) *Purpose.* The purpose of this section is to establish a standard by which the city council determines the amount of fines, length of license suspensions and the propriety of revocations for licensees. These penalties are presumed to be appropriate for every case; however, the council may deviate therefrom in an individual case where the council finds and determines that there exist substantial and compelling reasons which make it appropriate to do so, except, the council may not deviate below statewide minimum penalties for licensees. When deviating from these standards, the council shall provide written reasons that specify why the penalty selected was more appropriate. Where no penalty is listed below, the presumptive penalty under Saint Paul Legislative Code Section 310.

(b) *Presumptive penalties for licensees for violations.* Adverse penalties for licensees for violations or convictions shall be presumed as follows:

Type of Violation	Appearance			
	1st	2nd	3rd	4th
(1) Sale to a person under twenty-one (21) years of age	\$500.00 fine	\$1,000.00 fine	\$2,000.00 fine and 7-day suspension	Revocation
(2) Display, possession or multiple incidents of sales of; <ul style="list-style-type: none"> • single cigarettes; • menthol tobacco products; or • flavored tobacco products 	10-day suspension	Revocation		

(c) *Fines payable without hearing.* Notwithstanding the provisions of section 310.05(l), a licensee who would be making a first or second appearance before the council may elect to pay the fine to the department of safety and inspections without a council hearing, unless the notice of violation has

indicated that a hearing is required because of circumstances which may warrant deviation from the presumptive fine amount. Payment of the recommended fine will be considered to be a waiver of the hearing to which the licensee is entitled, and will be considered an "appearance" for the purpose of determining presumptive penalties for subsequent violations.

(d) *Computation of time.* Except as otherwise provided by Minn. Stats. § 461.12, subd. 2, subsequent violations are subject to the following:

(1) *Second, third and fourth appearances.* A second violation within twenty four (24) months shall be treated as a second appearance, a third within twenty four (24) months treated as a third appearance, and a fourth within twenty four (24) months treated as a fourth appearance for the purpose of determining the presumptive penalty.

(2) *Any appearance not covered by subsections (1) above shall be treated as a first appearance.* Measurement of the twenty four (24) month period shall be as follows: The beginning date shall be the earliest violation's date of appearance before the council, and the ending date shall be the date of the new violation. In case of multiple new violations, the ending date to be used shall be the date of the violation last in time.

No. 17733, § 2, adopted May 8, 1990; C.F. No. 94-341, § 10, adopted April 13, 1994; C.F.
