Jamie,

Thank you so much for your thoughtful letter responding to my concerns about your liquor license application. You have addressed my key concerns satisfactorily, so based on your statements and promises, I therefore withdraw my objection to your license application and look forward to having you in my neighborhood.

Best regards,

Subject: Liquor license for property at 560 W 7th St
Date: Tuesday, September 5, 2023 4:29:51 PM

I am writing to object to the granting of a liquor license for the property at 560 W 7th St. without the following conditions being required:

- Stop serving alcohol at 9 p.m. The property is in close proximity to several residential properties (including mine). The Waldman Brewery and Bad Weather Brewing already adhere to the earlier closing time because of the residential nature of the neighborhood.
- Maintain the property and sidewalks in a timely manner. This would include prompt shoveling, mowing, and removing litter from patrons and others.
- Establish resident-only parking areas and stickers on the side streets, as many people in this neighborhood do not have off-street parking.
- Increase parking enforcement, especially during restricted times such as snow emergencies.

Thank you for your consideration of my input and requests.
