Topic Rubric Scoring Matrix

Timeliness: Has the topic been studied before	1	2	3
and is it worth re-examination? Has the city	Topic has been studied	Topic has not been studied	Topic has not been studied
developed plans or already developed plans to	within the last five years	within last five years, but	within the last five years and
address the topic?	and/or City already has	City has plans to address	City does not have plans to
'	plans to address the topic	the topic.	address the topic.
Suitability: Does the performance audit of the	1	2	3
topic fall within the mandate of the committee's	Does not meet the	Somewhat meet the	Strongly meet the mandate.
mission to evaluate the financial and program	mandate.	mandate.	
performance of City departments to build public			
trust and ensure outstanding service delivery,			
transparency and accountability?			
Public interest: Will doing a study of the topic	1	2	3
address a community concern or be	This topic is not relevant to	This topic is of some	This topic is of great concern
advantageous to the community?	a community concern	community concern and/or	to the community and an
	and/or an audit will do little	an audit will build public	audit will significantly build
	to build public trust, etc.	trust, etc.	public trust, etc.
Outcome or Recommendation: Will the findings	1	2	3
Latitude and the state of the s	N. 1 C		0 1 1 6
of the study be adopted and implemented?	No chance of	Some chance of	Good chance of
or the study be adopted and implemented?	recommendations being	recommendations being	Good chance of recommendations being
or the study be adopted and implemented?			
Likelihood and Impact: Likelihood that the audit	recommendations being implemented.	recommendations being	recommendations being
	recommendations being implemented.	recommendations being implemented.	recommendations being implemented.
Likelihood and Impact: Likelihood that the audit	recommendations being implemented.	recommendations being implemented.	recommendations being implemented.
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether	recommendations being implemented. 1 Minimal or low risk or no	recommendations being implemented. 2 Average risk or moderate	recommendations being implemented. 3 High level of risk and effort
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk	recommendations being implemented. 1 Minimal or low risk or no	recommendations being implemented. 2 Average risk or moderate benefit.	recommendations being implemented. 3 High level of risk and effort and or highly beneficial.
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider:	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk reputational risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk reputational risk legal risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk reputational risk legal risk cybersecurity risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk reputational risk legal risk cybersecurity risk environmental risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3
Likelihood and Impact: Likelihood that the audit area may not be meeting objectives, and whether the impact would be small or large. Risks to consider: operational risk financial risk compliance risk reputational risk legal risk cybersecurity risk	recommendations being implemented. 1 Minimal or low risk or no benefit. 1	recommendations being implemented. 2 Average risk or moderate benefit. 2	recommendations being implemented. 3 High level of risk and effort and or highly beneficial. 3

CONSIDER SEPARATELY:

Source of topic : Where is the topic suggestion
coming from? Administration, Department
Directors, City Council and its meeting bodies,
District Councils, Business Organization,
Residents, etc.?
