Hello Mr. Miller,

I want to inform you that the clean-up assessment for your property regarding the mattress issue which was done by City on March 20, 2024 is being deleted per the hearing officer's recommendation to the City Council, due to lack of documentation from the City's contractor showing that the work done was actually done. No further action is needed from you. This will go to City Council on August 28 for final adoption.

Thanks.

Mai Vang
