Laura – Thanks for copying me on this email of the Class N License District Council Form to the District 5 – Payne-Phalen Community Council.

Jack – If you could confirm receipt of this email by response that would be helpful in DSI's processing of the license application. If you recall, this receipt confirmation does not have to be a submission of support or opposition at this time. DSI will still need to send a 15-day license public notice which would provide you with further opportunity to give comment on the application.

Thanks,

Jeff Fischbach
