Discounts on service location or requirements, call 651-266-9031. Minnesota Rules 3801.3780 Subpart 1 requires installers of electrical installations to schedule a final inspection. This permit is a fee-for-service and does not guarantee an unlimited number of inspections. Excessive inspection requests may incur additional permit fees. Under St. Paul Legislative Code 32.04(1), any permit that has been inactive for over 180 days shall be expired by Introspect, unless an extension has been applied for. Under Minnesota Rules Section 3801.3780 Subpart 2, permits with a fee of \$250 or less expire one year after issuance, regardless of whether the work is completed or not. A new permit would have to be obtained for the completion and approval of the work. All electrical permits processed after July 1, 2023, are now under the 2021 National Electrical Code. An Open C of O. takes effect at this property.
