Subject: Proposed assessment for public improvements File# MO2401
Date: Thursday, June 6, 2024 9:48:12 AM

Hello,

Please be advised that we have been notified of a proposed Mill and Overlay project Cretin/Bayard Area Phase 2 and have no objection to the proposed project or the proposed assessment. In fact, we welcome the project and believe the proposed assessment is fair and worthwhile. I thank the City for proposing a timely improvement of our streets.
