Re: Making Finding for the Remove or Repair of the Structure at 1862 Ivy Avenue East

Dear Mr. Steinmaus:

This is to confirm that there was a Council Public Hearing on July 19, 2023 in which the Legislative Hearing Officer, Marcia Moermond, recommended to the City Council that they **grant 180 days for rehabilitation of the above-named property.**

At the conclusion of the grant of time, the Council will receive a report from the Legislative Hearing Officer with findings on the status of the substantial abatement. However, we have been informed that a Certificate of Code Compliance had been issued on November 20, 2023. A staff report will be put on the record at the **Legislative Hearing on January 16, 2024 at 10:00 a.m.** and Ms. Moermond will state that the nuisance condition has been abated and the matter is resolved. The City Council Public Hearing will be on **February 7, 2024 at 3:30 p.m.** for final adoption. There is no need for you to attend these hearings.

Sincerely,

/s/

Mai Vang
Legislative Hearing Coordinator
